FRATERNAL LIFE INSURANCE AND ANNUITIES

WHO WE ARE

Since 1892, First Catholic Solvak Ladies Association, a fraternal benefit society, has been protecting families of Slovak and Catholic descent. In 2003, membership opened to include families and individuals of 16 Slavic backgrounds. Today we celebrate progress by providing quality financial and fraternal benefits to persons of every Christian faith, regardless of ethnicity. We retain an A- (Excellent) rating from the A.M. Best Company.

FRATERNAL BENEFIT SOCIETY

A fraternal benefit society is a not-for-profit membership organization. Fraternal benefit societies provide members with life insurance and other financial protection products. Earnings from these products are used to fund member-supported community and charitable activities. Our society is firmly rooted in faith, family, and financial security. We value the traditions of our members and want to see them continue for many generations into the future. What better way to guarantee your legacy than to protect your family with life insurance from a company that shares your values and traditions.

"We've focused on providing lasting benefits for our members and our communities for over 125 years. Our financial strength is unwavering. We will be protecting families for generations to come."

Cynthia M. Maleski, J.D., National President (CEO), 2012-present
