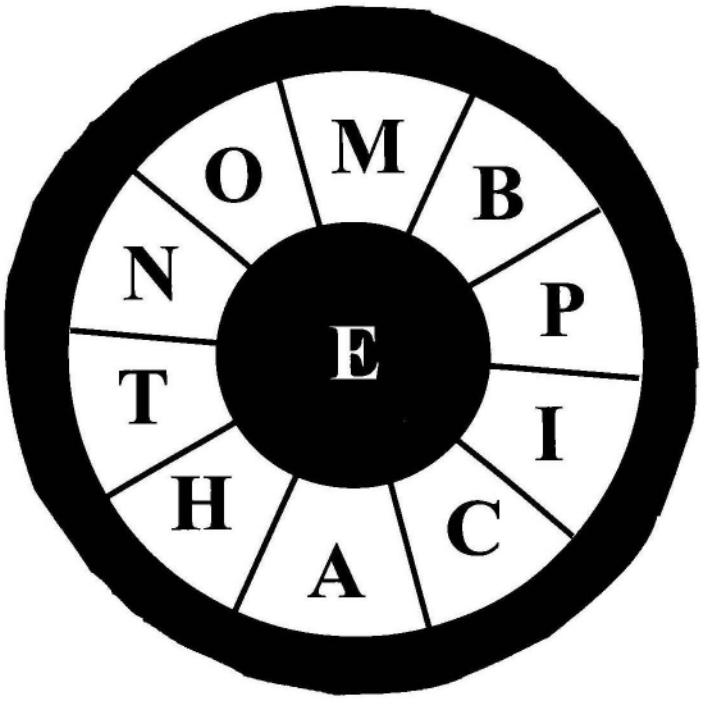
Puzzles-A-Plenty

Word Wheel

Using only the letters in the word wheel to the right, see how many words you can create. Each word must be three letters or more, and must contain the center letter 'E.' Letters can only be used once per word.

To make this puzzle more challenging, set a fifteen minute time limit and award one point for each letter. At the end of the time, have residents count up their "points" and declare a winner.



Example: BEAM
