From the President

Dear Members,

With this issue, we are starting quarterly publication of our newsmagazine, *Glos Polek*. We have prepared a longer issue for you to start the new schedule – we hope you will enjoy reading it. We introduce two new Insurance Promotions in this issue and include articles on Polish American Heritage Month, Polish Nobel Prize laureates, PWA events from the past few months, as well as Thanksgiving and Christmas traditions and recipes. It's hard to believe that the Holidays will only be a few weeks away, when you receive this *Glos Polek*! Next year, the issues will be mailed to you on February 1st, May 1st, August 1st, and November 1st.

On November 3, 2009, the *Glos Polek* will be celebrating its 99th anniversary of continuous publication. Next year, in observance of its 100th anniversary, a centennial exhibition will be held in a number of venues. We can be proud of the fact that ours is one of the oldest publications in the U.S. that is owned and published by women and that will be in print, without interruption, for 100 years. The exhibit, called *A Voice of Their Own*, will showcase the history of PWA taken from the pages of *Glos Polek*. It will tell the story of PWA members—ordinary women living their lives in extraordinary times—who rose to meet the challenges presented by world events of the last century. More details about the exhibit will be published in future issues.

Christmas is a time of giving to loved ones and of sharing with those less fortunate than we are. I would like to remind you of the PWA Charitable and Educational Foundation and the many worthy causes it supports: the PWA National Scholarship Endowment Fund, the Polish Children's Fund (Dziecko Polskie), the Pope John Paul II Cultural Center, work on the PWA archives at the Newberry Library and the Gannon Center at Loyola University, our own PWA library, and others. Please remember the Foundation when you are deciding which charities to support this Christmas season. Please use the coupon on page 14 to send in your tax-deductible donations.

I would like to extend to all of our members and their families my warmest wishes for a Happy Thanksgiving, a Joyous Christmas, and a Healthy New Year! May God bless all of you, our organization, our nation, and the land of our mothers and fathers.

Fraternally, Virginia Sikora

Polish History and Heritage

70TH ANNIVERSARY OF THE OUTBREAK OF WORLD WAR II

In the early morning hours of September 1, 1939, the German Navy and Air Force launched a surprise strike on a Polish military depot on the Westerplatte Peninsula near Gdansk, on Poland's Baltic coast. Later in the day, German planes covered the skies all over Poland and German troops marched into towns and villages near the western border, as the Blitzkrieg (Lightning Strike) began. England and France declared war on Nazi Germany on September 3rd.

Polish forces fought back valiantly, but after the Soviet Army invaded from the east on September 17th, the Polish Army was overwhelmed and forced to surrender. But the Polish people continued to fight and for six years the Polish Resistance was the largest and most effective underground movement in Europe. By the time the war was over, almost 6 million Polish citizens had lost their lives, including 3 million Jews and 3 million Christians. This was 16% of Poland's population, the largest proportionate loss suffered by any nation. Worldwide, the war took over 50 million lives and resulted in the largest displacement of refugees in world history.

On September 1, 2009, the heads of state of Poland, Germany, and Russia, representatives from other countries, WWII veterans, and Poles from around the world assembled at Westerplatte to mark the 70th anniversary of the invasion. Poland was the first nation to fight – the first nation to take a heroic stand against Hitler's plans to occupy all of Europe.

70 Years Ago in the Glos Polek

Dear Sisters, in this time of great conflicts and earth-shattering events, we, your newly-elected officers, stand ready to act.

Well aware of how difficult, but at the same time how ennobling the tasks put to us by Fate are, we appeal to all of you, dear Sisters, and ask you for your dedicated cooperation, keeping the best interests of Poland and of Polish Women's Alliance in mind.

We call on you as good citizens, to work on the Relief Committees in your Groups and Councils and to send your donations to the Poland Defense Fund to the Office of the Secretary General.

America needs us. The world needs us. Poland needs us. Through our work we must show that Polish women will not disappoint all the faith and hope that has been placed in them. We must meet the challenge that this moment in history presents....

OCTOBER IS POLISH AMERICAN HERITAGE MONTH

Being Polish is more than the traditions we practice, the songs we love, and the food we eat. It is a feeling of pride in our roots and in the history of the country of our ancestors. Learning more about Polish history and culture as well as about the accomplishments of Polish people in America and in Poland will deepen your appreciation of what it means to be a Polish American. Take some time in October to learn more about your heritage and to share it with your family and with PWA members – get some books on Poland from the library, visit a Polish exhibit at a museum or library near you, rent a Polish movie, visit a Polish parish, start working on your family tree, cook a Polish meal for your family and friends. The past lives on in the present – gifted to us by those who came before – and it is our responsibility to preserve it for future generations.

PWA DAY CELEBRATED IN DOYLESTOWN SHRINE

The annual PWA Day was held at the Shrine of Our Lady of Czestochowa in Doylestown, PA, on Sunday, August 23, 2009. Keeping up the tradition started by past generations of PWA members were representatives from Ilinois, Connecticut, Maryland, New Jersey, and Pennsylvania.

Representing the Home Office, President Virginia Sikora, read the first reading during Mass. Also in attendance were Vice President Sharon Zago, coordinator of the annual pilgrimage, and Secretary-Treasurer of Group 661 Adeline Holda.

In Polish costumes were Sophie Marshall, District IX President, Group 280 President Jadwiga Czerwinski from Connecticut, and Group 598 Treasurer and former District X President Marion Listwan from New Jersey, who did the second reading. Group 598 President Genevieve De Metro and Group 598 Vice President Judith Listwan from New Jersey District X also attended.

From District XII Maryland were District President Therese Violanti along with President of Group 702 Catherine Gietka, Recording Secretary of Group 702 Bernadette Gietka, and Gerald Gietka of Group 702.

Officers from District XIV Council 40 were Felicia Perlick, PWA National Director and former President of District XIV, along with Council 40 President Bernadine Regis and Council 40 Treasurer Bernadine Borinski.

PWA members carried the Icon of Our Lady of Czestochowa during the procession and presented the gifts during mass. President Virginia Sikora presented the annual PWA donation of \$1,000 to the new Prior, Father Tadeusz Lizinczyk. The new Provincial is Father Joseph Olczak. In photo: the Mass was concelebrated by seventeen Pauline Fathers.

PATRON'S DAY IN DISTRICT I

The annual Patron's Day in District I was hosted by Council 27 this year. Mass was held at St. John Brebeuf Church, Niles, IL, followed by a luncheon in the Parish Hall. A raffle was held and donations were made to the District I Wojcik Endowment Fund, allowing the Fund to establish its charter. Thanks to Council 27 President Czeslawa Kolak and her team for hosting the event and to the Polonia Dancers and soloist Aleksandra Padowski whose participation enhanced our celebration. Very special thanks go out to everyone who donated to the Endowment Fund from the Endowment Committee: Helen V. Wojick, Lidia Filus, and Czeslawa Kolak. Photo below shows members and guests at the Patron's Day celebration.

Council 2 District II VINTAGE BRIDAL SHOW

On Sunday, May 17, 2009 the elegant mansion and residence of Laura and Claude Kronk of Sewickley Heights, Pennsylvania, was transformed into an "Era of Innocence." Officers, members, and guests of the Polish Women's Alliance Council 2 of Pittsburgh were carried back in time. The event was a Vintage Bridal Show featuring antique wedding gowns with the oldest dating back to the late 1800s.

The afternoon began with a house tour of the breathtaking Kronk residence, followed by brunch and tea. The highlight of the day featured four flower girls and ten lovely young women modeling 20 gowns, each narrated with a story about the original bride. As the brides descended the grand staircase to the ballroom, the flowing lace-embroidered trains carried tales of tears, joy, and laughter.

The PWA Co-Chairs of the event were Council President Irene Prus Addams, Dorothy Kolano Secretary/Treasurer, and Mary Lou Elena. Committee Members were PWA Members Evanne Addams, Betty Kolano, and Wanda Walat. Guests of Honor included National Vice President Sharon Zago, National Secretary-Treasurer Antoinette Trela-Vander Noot, National Director Felicia Perlick, and District II President Toni Blasic.

In keeping with the enchanted theme, the auction items and prizes were wrapped as wedding gifts. All proceeds from the benefit support the Polish Women's Alliance Council 2 Scholarship Fund.

Spotlight on Our Members

Catherine L. Wanat Heart of Group 552

Catherine Wanat is the heart of Group 552, St. Theresa Society, Meriden, CT. She was recently honored with a

pin and award from National President Virginia Sikora, at left in photo, for her many years of dedication and service to Polish Women's Alliance. Mrs. Wanat is in the center and District IX President Sophie Marhsall is at right.

Catherine Lesiak was born on October 29, 1911, in Meriden. When her mother died when she was six, Catherine's father took his three daughters back to Poland. At age 16, Catherine came back to the United States, where she worked during the day and went to school at night. In 1934, Catherine married Edward M. Wanat. They had four children: Joan, Francis, Barbara, and Dolores. In the 1940s Catherine joined the PWA and became an active and devoted member, signing up her children as well. She was the District Youth Counselor and was elected President of her Group, a position she held for 35 years. She resigned her position in 1991 after suffering a stroke.

Although quiet in nature and gentle in speech, Catherine had the gift of leadership to encourage others to work hard. She organized youth activities, card parties, bake sales, and Mother's Day events. She attended many National Conventions, worked on Deb Ball committees, and was a member of the Sick Committee, always giving of herself and inspiring others. In her daily prayers she remembers all PWA members, living and deceased. God has truly given Group 552 a gift! We send Catherine our warmest wishes for continued health and participation in PWA activities.

Sister Barbra Wanat Group 552 Celebrates 50th Anniversary

Sister Barbara Wanat, daughter of Catherine Wanat and the late Edward M. Wanat, native of Meriden, CT, entered the Sisters of St. Joseph, the Third Order of St. Francis, after graduating from high school. During her teen years, she was an active member of PWA Group 552. After completing her Bachelor's and Master's degrees at St. John College and Wayne State University, Sister Barbara taught in Ohio and Michigan schools, before returning to Connecticut. She taught at Holy Cross School in New Britain for 34 years and was the Adminsitrative Assistant to the Principal. At present, Sister Barbara is caregiver to her mother, Catherine, while tutoring children in the language arts. She is grateful for the opportunity to serve God and his people for the last 50 years as a Sister. We congratulate her on her special anniversary and wish her all the best in the future!

Council 21 Honors Helen Kozlowski - Group 132 & Mary Ann Michalak — Group 132

IN MEMORIAM

Josephine Kras Group 132

With a heavy heart, the officers and members of all Groups in District III Indiana mourn the passing of Josephine Kras, on August 25, 2008. Josephine had been honored as Fraternalist of the Year from District III in 2008 and she

had held the title of May Queen 21 times. Over her lifetime, Josephine enrolled 66-plus members of her family as well as many friends, bringing in \$300,000 in new insurance to our organization. She held the office of Treasurer and Garland Secretary of Group 132, Our Lady of Consolation, up to the time of her death.

A longtime member of Group 132, Josephine devoted her time to her family and to her beloved PWA, serving in various offices, attending numerous National Conventions, raising funds for the PWA, and, always, signing up new members. In 1957, her daughter Mary Ann was named Miss Polonia thanks to Josephine's efforts to solict ads for the Deb Ball. In 1959, she worked just as hard selling \$40,000 in new insurance for the Deb Ball of her daughter Josephine, who was named Queen of the Ball that year. And in 1974, she worked hard again for her granddaughter Selena, who was chosen Miss Polonia, just like her mother, Mary Ann.

In whatever spare time she had during the last 50 years, Josephine was also involved with Orchard Lake, St. Bonaventure's, the Carmelite Monastery, the Knights of Columbus Wives, and the Ladies Rosary Sodality at St. Stanislaus Church, her parish, lending a helping hand when needed, holding office, and raising funds. Her energy and dedication will be missed!

We express our condolences to Josephine's family and know that she now enjoys eternal rest with the Lord. Dobry Jezu, a nasz Panie, Daj Jej Wieczne Spoczywanie.

Dolly Huneycutt, District III President

Jane Huk Rembisz Group 782

Officers and members of Group 782, New Jersey, are sad to report the passing of their longstanding member and Past President for more than 25 years, Jane Rembisz. She also served as Vice President of Council 15. Her dedication to the PWA and to our Group will be missed. She is survived by her daughter Pauline Parrish (James), son Richard (Cindy), grandson Jesse, and sister Matilda Dumasky. She was the beloved wife of the late Edward F. Rembish. We offer our condolences to her family and friends and will keep her in our prayers. May she rest in peace.

RECOMMENDED BOOKS

With the 70th Anniversary of World War II being observed all over the world, your editors would like to recommend two books that describe what it was like living in Poland just before the war and during the invasion and German occupation.

The Spies of Warsaw by Alan Furst (Random House, 2008) tells a story of love and intrigue set in 1937 Warsaw. The newest edition of the book includes a map of pre-war Warsaw where you can follow the characters through a city that is standing in the dark shadows of the events that will soon change the city and its people forever. Furst is known for his very readable historical novels set in Europe of the 1930s and 1940s. To read a recent article in *The New York Times*' Travel Section about the book and some of its locales in today's Warsaw see: http://travel.nytimes.com/2009/09/13/travel/13warsaw.html?8dpc

The Zookeeeper's Wife: A War Story by Diane Ackerman (W.W. Norton, 2007) is the remarkable story of Jan Zabinski, the director of the Warsaw Zoo, and his wife, Antonina, who, with courage and ingenuity, sheltered 300 Jews as well as Polish resisters in their villa and in the animal cages and sheds. Using Antonina's diaries, the author tells the poignant story of her family, the animals in their care, and how they also saved countless human lives during World War II. Polish History and Heritage

POLISH NOBEL PRIZE WINNERS

Nobel Prize laureates are announced every year in October. The Nobel Prize is a Swedish monetary prize awarded to world-class scientists, writers, and those who work to promote peace in the world. It was established by the 1895 will and estate of Swedish chemist and inventor Alfred Nobel. It was first awarded in Physics, Chemistry, Medicine, Literature, and Peace in 1901. The winners receive a significant monetary award as well as a gold medal. The Nobel Prize for Economics is presented and funded by a Swedish Bank in memory of Alfred Nobel.

One of the most famous Nobel Prize winners of all time was not only born in Poland, she is also an Honorary Member of PWA! MARIE SKŁOWODOWSA CURIE won two Nobel Prizes: the first one in 1903 for Physics shared with her husband Henri Becquerel; the second for her own work in Chemistry (the discovery of radium). She was the first woman to win the Nobel Prize and the only woman to win two. She is also one of two scientists to win Nobel Prizes in two different fields. The other is Linus Pauling who received Nobels for Chemistry and Peace. The Curies are also the family with the most Nobel Prize winners in a single family, a total of five: Marie; her husband Henri; their daughter Irene Joliot-Curie and her husband Frederic for Chemistry in 1935; and son-in-law and husband of Eve Curie, Henry Labouisse, who won the Peace prize in 1985 in his capacity as the director of UNICEF.

LECH WAŁĘSA, the Polish electrician who became the leader of the Solidarity trade union, and who played a large role in the events that ended in bringing down the communist government of Poland, is also a well-known world figure. He was awarded the Nobel Peace Prize in 1983, shortly after having been released from prison. Solidarity was the catalyst that led to the eventual downfall of the Soviet empire in Eastern Europe, the dismantling of the Berlin Wall, and the return of democracy to Poland. Wałęsa served as Poland's President from 1990 to 1995.

Four Nobel Prizes in Literature were awarded to Polish writers: WISŁAWA SZYMBORSKA in 1996 for her poetry and essays; CZESŁAW MIŁOSZ in 1980 for his poetry and essays; he is widely acclaimed as one of the greatest poets of the 20th century; WŁADYSŁAW REYMONT in 1924 for his novels about life in Russian-occupied Poland at the turn of the century; and HENRYK SIENKIEWICZ, in 1905. He is the popular author of the *Trilogy*, Poland's beloved historical novels set in 17th century Poland.

Other Polish-born Nobel Prize winners include: Joseph Rotblat, Peace 1995; Georges Charpak, Physics, 1992; Roald Hoffmann, Chemistry, 1981; Isaac Bashevis Singer, Literature 1978; and Tadeus Reichstein, Medicine 1950.

LECH WAŁĘSA HONORED AT NEIU

On May 29, 2009, former President of Poland and Nobel Prize Laureate, Lech Wałęsa, was present at a ceremony at Northeastern University in Chicago, where a university building was dedicated in his name. The ceremony was also a celebration of the 20th anniversary of the first free parliamentary elections held in Poland in 1989, after the fall of communism in Eastern Europe. A Lech Walesa Fund has been established at NEIU. PWA District I is one of the founding members and donors of the Fund. In the photo, from left, University President Sharon Hah, Consul General of Poland in Chicago Zygmunt Matynia, District I President Lidia Filus, President Lech Walesa, Council 27 President Czeslawa Kolak, and Mrs. Bozena Matyniak.

PWA CHARITABLE AND EDUCATIONAL FOUNDATION

Donate to Support a Worthy Cause this Christmas Season!

Christmas is a time of giving and sharing. The PWA has a long history of bringing aid to those who need it most. From the earliest days of our organization, members have supported not only their communities but also the Polish nation in its quest for freedom. They raised funds for schools, churches, and orphanages, in the United States and in Poland. They helped Ignacy Paderewski as he sought to promote the independence of Poland throughout the world and they funded Marie Sklodowska Curie's research. They sold war bonds and sent aid packages during World War II. They helped build the Shrine to Our Lady of Czestochowa in Doylestown and to refurbish the Statue of Liberty and the Museum on Ellis Island. Members continue to support college-bound members here in the U.S. through scholarships, children's institutions and hospitals in Poland, and other worthy causes such as disaster relief, the Pope John Paul II Cultural Center, The Polish Museum of America, work on preserving PWA archives, and our own PWA Library.

This Christmas, please consider making a donation to the PWA Charitable and Educational Foundation so that the good work of our organization can continue. Please use the coupon below to send in your donations and to let us know how you would like us to allocate the funds. Choose a cause that is close to your heart as you make your charitable giving decisions this Holiday Season in your families, Groups, Councils, and Districts. Polish Christmas Traditions

CHRISTMAS CAROLS KOLĘDY

The Polish word for Christmas carols is "kolęda" pronounced "kolenda" and it comes from the Latin word "calendae," meaning "the first day of the month." Kolędy are mostly anonymous, having been created by the Polish people over the centuries. Kolędy date back to the fourteenth and fifteenth centuries and while they did start out as hymns to be sung during Mass, they quickly found their way out of churches to the populace, where they took on a colorful life of their own.

You can hear strains of Polish folk melodies and popular tunes in many koledy. They are tender and humorous as often as they are joyful or exalted. The miraculous story of the birth of Baby Jesus, the Son of God, in a humble stable, surrounded by animals and shepherds, appealed to the popular imagination and resonated with the people, resulting in the creations of hundreds of carols over the years, both religious and humorous, that retell this story in many different ways. Many kolędy are regional and not as well-known as the more traditionals ones that we sing in our homes today. Poland has a larger cannon of Christmas carols than any

other Christian nation.

Carolers are called "kolędnicy" and they walk from house to house between Christmas and the Feast of the Epiphany, carrying a star on a pole and a nativity scene. They usually wear folk costumes or dress up as angels, shepherds, kings, sometimes also as devils or the Grim Reaper. They enact nativity plays, often with a touch of comedy added, along with singing carols. They are treated to food and drink and sometimes other gifts as well in return.

The most beloved Polish kolędy include *Gdy się Chrystus rodzi* (When Christ is Born) *Lulajże Jezuniu*, which is a lullaby to Baby Jesus, and *Przybieżeli do Betlejem* (The Shepherds Arrive in Bethlehem.) You can find lyrics to some of the more popular koledy on this page and on our website at www.pwaa.org.

Wsród nocnej ciszy In the Still of the Night

Wsród nocnej ciszy, Głos się rozchodzi: "Wstańcie pasterze, Bóg się wam rodzi. Czem prędzej się wybierajcie, Do Betlejem pośpieczajcie, Przywitać Pana."

Poszli, znaleźli, Dzieciątko w żłobie, Wszystkiemi znaki, danemi sobie. Jako Bogu cześć mu dali, A witając zawołali, z wielkiej radości.

"Ach, witaj Zbawco, z dawna rządany. Cztery tysiące lat wyglądany. Na Ciebie króle prorocy, Czekali aż Tyś tej nocy, nam się pojawił."

Cicha noc Silent Night

Cicha noc, święta noc, Pokój niesie ludziom wszędzie. A nad żłobkiem Matka Święta, Czuwa ślicznie uśmiechnięta, Nad Dzieciątka snem, nad Dzieciątka snem,

Cicha noc, święta noc, Pastuszkowie od swych trzód, Biegną wielce zadziwieni, Za anielskim głosem pieni, Gdzie się spełnił cud, gdzie się spełnił cud,

Gdy się Chrystus rodzi As Christ Is Born

Gdy się Chrystus rodzi, i na świat przychodzi. Ciemna noc w jasności promienistej brodzi Aniołowie się radują, pod niebiosy wyśpiewują: Gloria, gloria, gloria, in excelsis Deo!

Mówią do pasterzy, którzy trzód swych strzegli. Aby do Betlejem, czym prędzej pobiegli. Bo się narodził Zbawiciel, wszego świata Odkupiciel, Gloria, gloria, gloria, in excelsis Deo!

Did you know? In Poland, students are graded by numbers, not by letters, the way they are in the United States. An A grade translates to a 5 in Poland. A B grade is a 4, a C is a 3, and an F is a 2. There is no number 1. Getting a 2 means failing!

PWA POLISH LANGUAGE CLASSES START SOON!

Polish language classes and a new class called "Treasures of Polish Literature and Film" start in October, 2009. "Polish I - Beginning Polish" will be offered in the fall of 2009 (October - December). Polish II will be offered in January 2010 (January - March). The new class will also be offered from October 2009 to December 2009. Classes will be taught by Professor Ireneusz Raciborski. The fee for each class is \$125 for members and \$175 for non-members, plus the cost of the book.

Contact Vice President Sharon Zago for more information or to register at 1-888-522-1898, ext 208. You can download the class syllabus from www.pwaa.org/what_new2. htm#POLISH CLASSES

Recipes - Thanksgiving

THANKSGIVING RECIPES WITH A POLISH TOUCH

A traditional Thanksgiving dinner has as its centerpiece a beautiful golden-brown stuffed turkey. There's nothing more typically American than that! But the side dishes can be prepared with as much creativity and flair as you like. Here are two recipes you might want to serve this Thanksgiving to add a distinctly Polish flavor to your family's turkey feast!

Pumpkin Soup with Polish Potato Drop Dumplings Zupa z dyni z lanymi kartoflanymi kluskami

For the Soup:

2 cans (14 oz each) of pureed pumpkin, 4 cups chicken stock, 4 cups water, 1 carrot, peeled and grated, 1 cup applesauce, 1 cup heavy cream (or half and half), 1 tablespoon brown sugar, 1/2 tsp white pepper, ground (optional)

Combine the pumpkin, water, stock, and carrot. Bring to a boil, reduce heat, cover and cook over medium heat for about 30 minutes, stirring occasionally. Just before serving, add applesauce, cream, sugar, and pepper and bring slowly, while stirring, to the boiling point. Remove from heat and serve immediately over potato dumplings placed in soup bowls. Garnish with chopped parsley or fresh thyme. Serves 8.

For the Dumplings:

1 large potato, peeled and grated, 1 cup flour, sifted, 1 cup whole milk, salt and pepper to taste, 1 cup very hot water in a cup

Bring a large pot of salted water to a boil and then lower the heat to medium-high so the water is gently bubbling. While the water is heating, blend together the grated potato, flour, and milk until they form a pasty dough. Dip a tablespoon in the cup with hot water, and then take about half of a tablespoon of the dough and place it gently in the pot of boiling water, until it slips off. Cook dumplings gently for a few minutes after they float to the top. Remove with a slotted spoon and place in a warm, buttered casserole until ready to serve. You might want to cook the dumplings in two batches. Serve with soup or as a side dish with a fried onion garnish.

Cauliflower and Green Beans with Bread Crumb Topping

Kalafior i fasolka po polsku

1 lb fresh green beans, trimmed, 1 small head of cauliflower, cut into florets, 1 1/2 sticks of butter, 1 1/2 cups of breadcrumbs

Place green beans in a large pot of boiling, salted water and cook uncovered for 7-8 minutes, until soft but not overcooked. In a second pot of boiling, salted water, cook the cauliflower florets for 7-8 minutes. Drain both vegetables when ready and place on a heated serving platter next to each other.

While the vegetables are cooking, melt the butter in a large frying pan over medium heat until it starts to foam. Add breadcrumbs and cook for 5-7 minutes, until golden brown. Add more butter if needed. Pour crumb mixture over beans and cauliflower and serve immediately.

Happy Thanksgiving! Smacznego!

Recipes - Christmas

POLISH WIGILIA RECIPES

While the most traditional dishes served during Wigilia, the Polish Christmas Eve supper, usually include soup made from beets or mushrooms, fried or poached fish, sauerkraut, mushrooms, and pierogi – there are many other recipes that are often served on this day. You can find the more traditional Wigilia recipes on our website at www.pwaa.org. Below we would like to share with you some other Wigilia recipes that you may want to try this year, along with the ones your family enjoys most. Wigilia menus vary from family to family and from region to region in Poland, so why not add something different to your Wigilia table this year?

Rolled Herring Rolmops

4 pickled herring filets, each cut into 3 thin pieces, pickling juices from jar reserved, dill pickles quartered and cut into one-inch pieces, pickled onions, dill or parsley for garnish

Place a piece of pickle and a pickled onion at one end of a herring piece. Roll the herring tightly and skewer with a toothpick to hold the roll together. Before serving, drizzle rolls with some of the pickling juice from the herring jar, insert a few small sprigs of fresh dill or parsley into an open end of each roll and serve with rye bread or pumpernickel as an appetizer before Wigilia.

Noodles with Cabbage Kluski z kapustą

1 lb kluski-style noodles (or rotini), cooked and drained, 2 sticks butter, 1 large onion, coarsely chopped, 2 lbs sauerkraut, drained (rinsed or unrinsed as desired), 1 lb fresh mushrooms, salt and pepper to taste

In a large frying pan, saute the onion in one stick of butter until golden but not browned. Add sauerkraut and cook over medium heat for 10-15 minutes until warmed, stirring frequently. Place in a large bowl. Clean and trim mushrooms and cut into thick slices. Saute mushrooms in remaining butter in a large frying pan for 5-7 minutes and add to bowl with sauerkraut. Mix gently, check for seasoning, and then place into a buttered casserole and bake for 40-45 minutes in a preheated oven at 350 degrees.

Note: Fresh cabbage can be substituted for all or part of the sauerkraut. If using fresh cabbage, parboil it for 10 minutes and then slice into wide strips. Proceed with recipe as above but be sure to check carefully for seasoning, as fresh cabbage will need more salt and pepper than sauerkraut alone.

Wesołych Świąt!

Polish Almond Soup Zupa migdałowa

This soup is often served during Wigilia, between courses or after the family comes home from Midnight Mass, rather than as a replacement for the beet or mushroom soup typically served at the beginning of the meal. Almond soup is also served during the year for breakfast or brunch, or, in the summertime, it is sometimes served cold for a light, refreshing lunch.

5 cups whole milk, 1/2 pound finely ground almonds, 1 teaspoon almond extract, 2 cups cooked rice, 1/3 cup sugar

In a large saucepan, bring the milk to a very low boil. Add the remaining ingredients and continue cooking, over low heat, for 5-7 minutes, stirring constantly until the rice is warm. Add more sugar to taste. You can garnish with raisins, cinnamon, or sliced almonds before serving.

Polish Honey Spice Cookies Pierniczki

These cookies are very popular in Poland during the holidays.

lar to American gingerbread cookies. To hang decorated pierniczki on your Christmas tree, the way it is done in Poland, you should make a hole in the cookies before baking with a plastic straw. After baking, decorate and thread a thin ribbon through the hole in the cookie to

hang on your tree.

They are very simi-

1 cup honey, 4 cups flour, 4 eggs, 1 cup sugar, pinch of ground black pepper, 1/2 tablespoon ground cinnamon, 1/2 tablespoon ground nutmeg, 1/2 tablespoon ground cloves, 1/2 tablespoon ground allspice, 1 tablespoon baking soda

Heat the honey in a small saucepan until it just begins to boil. Take off heat and allow to cool slightly. Combine eggs and sugar in a bowl and beat together until slightly thickened. In another bowl, mix the flour, spices, and baking soda together and add slowly to the egg and sugar mixture while beating rapidly. The dough should not have any lumps. Pour in the lukewarm honey and mix everything until smooth. You can cover the dough with plastic and refrigerate until ready to make the cookies.

Turn out the dough onto a lightly floured surface, knead for a minute to warm it, and then roll out with a floured rolling pin to a thickness of a 1/4 inch. Use cookie cutters to cut into shapes. Bake in 350 degree preheated oven on greased cookie trays for about 12 minutes. Allow to cool completely before decorating with white frosting or covering with a chocolate glaze.

Nasza Kuchnia/Kultura

Piernik Babci Antosi

6 całych jaj (o temperaturze pokojowej), 1 cup cukru, 1 cup miodu, 1 cup oliwy, 1 cup mleka, 3 cups mąki, 1 kopiata łyżeczka sody do pieczenia, 1 kopiata łyżeczka proszku do pieczenia, 1 płaska łyżeczka goździków,

1 łyżeczka cynamonu. Można dodać pokruszone orzechy laskowe, włoskie lub migdały, można dodać trochę rodzynków.

2 głębokie standardowe foremki do pieczenia i dwie miski do przygotowania ciasta. Piekarnik nagrzany do 300 stopni F.

W głębokiej misce bardzo dobrze ubić mikserem całe jajka z cukrem. Następnie dodać miód i oliwę i dobrze wymieszać. W drugiej misce zmieszać 3 cups mąki z proszkiem do pieczenia, sodą do pieczenia i dodać zapachy – goździki i cynamon. Ciągle mieszając składniki w pierwszej misce, dodawać powoli mąkę z dodatkami, a na koniec szklankę mleka i jeszcze raz wymieszać całość dobrze. Ciasto będzie rzadkie, lejące. Przygotować dwie formy, albo jedną dużą, dobrze wysmarować oliwą i obsypać mąką. Włać ciasto do połowy formy, gdyż będzie rosło. Wstawić do nagrzanego do 300 stopni F piekarnika i piec przez 1 1/2 godz. Pod koniec można sprawdzać patyczkiem, czy już jest upieczone, jeśli patyczek jest suchy po wyjęciu z ciasta, tzn. że ciasto jest upieczone. Wyjąć z pieca i jak podstygnie, wyjąć ciasto z forem. Piernik jest najlepszy po kilku dniach i może "stać" kilka tygodni.

Ciastka kruche z dziurką przekładane powidłami

70 dag mąki, 3 jajka, 25 dkg niesolonego masła, 2 opakowania cukru waniliowego, 1 łyżeczka proszku do pieczenia, 3/4 szklanki cukru, powidło śliwkowe

Ze wszystkich składników zarabiamy ciasto. Zawijamy w folię i wkładamy na godzinę do lodówki. Zimne ciasto wałkujemy na grubość około 3-4 mm. Można ciasto podsypać mąką przy wałkowaniu, a jeśli się klei do walka to wałkowac przez papier pergaminowy (wax paper). Następnie wycinamy ciasteczka. W połowie ilości ciastek wykrawamy dziurkę. Pieczemy około 10 minut w temperaturze 190 stopni C, powinny być zrumienione. Pilnujemy pod koniec pieczenia, żeby ciastka nie były zbyt ciemne.

Po ostygnięciu ciastka bez dziurki smarujemy powidłami i przykrywamy ciastkami z dziurką. Posypujemy cukrem pudrem.

Smacznego!

Kolęda Juliusza Słowackiego

Ta miniatura liryczna, kolęda, pochodzi z dramatu Juliusza Słowackiego *Złota Czaszka*. Miejscem wydarzeń dramatu jest stary szlachecki dworek w Krzemieńcu, pełen prostoty, polskości i czci dla Bogurodzicy. Złota Czaszka to imię jego właściciela, a czas przedstawiony w dramacie to najazd szwedzki na Polskę w 1655 r., za panowania Jana Kazimierza.

Kolęda jest pełna serdeczności i radości; zdrobnienia wyrażają czułość, a wtrącone łacińskie zwroty, chociaż w sposób żartobliwy przypominają o makaronizmach używanych przez szlachtę, to nie wyśmiewają tej cechy; oddają natomiast styl epoki i tworzą nastrój pogody i lekkości. Dodają, że nie tylko świat się odrodził, ale także dusze (et mentes), że anioły się śmieją (ridentes), wróbelki śpiewają (cantantes), a łabędzie przyleciały zaoferować (mutantes, w znaczeniu "wymienić na coś") Pannie Zbawicielce "srebrne puchy".

Rzadko widzi się tę koledę i prawie już nigdy nie śpiewa, chociaż jeszcze w początku XX wieku była popularną. Chcieliśmy ją Państwu przedstawić ze względu na jej urok i miejsce w naszej literaturze pięknej, i przy tej okazji wspomnieć, że 2009 rok jest rokiem Juliusza Słowackiego, w tym roku bowiem przypada 200 rocznica jego urodzin i 160 rocznica śmierci.

Chrystus Pan się narodził... Świat się cały odmłodził.. Et mentes... Nad sianem, nad żłóbeczkiem Aniołek z aniołeczkiem Ridentes.... Przyleciały wróbelki

Do Panny Zbawicielki Cantantes...

Przyleciały łańcuchy Łabędzi, srebrne puchy Mutantes...

Puchu wzięła troszeczkę, Zrobiła poduszeczkę, Dzieciątku...

Potem go położyła I sianem go nakryła W żłobiątku.

Życie nie jest tak krótkie, by nie było w nim czasu na uprzejmość.

(Ralph Waldo Emerson)

"Szampan jest jedynym winem, po wypiciu którego kobieta pozostaje piękną"! stwierdziła kiedyś Madame Pompadour, znana z urody i inteligencji metresa króla Francji - Ludwika XV. Ile w tym prawdy, trudno powiedzieć, ale napewno jest to szlachetny trunek, który od lat jest

ozdobą wytwornych przyjęć, szczególnych uroczystości, i którym już tradycyjnie wita się Nowy Rok. Należy jednak pamiętać o stosownym umiarze ze względu na zawartość ok. 12-13% alkoholu!

Prawdziwego szampana wytwarza się tylko we Francji, w regionie Szampanii. Sztukę przygotowywania szampana opracował, na przełomie XVII i XVIII w. piwniczy opactwa Hautvilliers, mnich Don Perignon.

W Szampanii uprawia się trzy szczepy winorośli: dwa czerwone (pinot noir i pinot meunier) i jeden biały (chardonnay). Uważa się, że za pełnię smaku i "treść" szampana odpowiada pinot noir, za jego lekkość – meunier, a za elegancje i styl - chardonnay.

Szampana zawsze podajemy odpowiednio schłodzonego (6-9 st. C.), tradycyjnie już w specjalnym wiaderku, które do połowy wypełniamy wodą i lodem (około 10 kostek). Szampana nie należy mrozić.

Kieliszki napełniamy tylko do 2/3 wysokości. Najlepsze kieliszki do szampana to te w kształcie kwiatu tulipana lub typu flet. Coraz rzadziej stosuje się kieliszki o szerokich czaszach.

Zanim podamy gościom szampana, dobrze wcześniej nalać odrobinę do swojego kieliszka, sprawdzić zapach i smak – niedopuszczalny jest posmak korka lub stęchlizny.

Do jakich potraw podajemy szampana?

Do każdego typu posiłku można dobrać odpowiedni szampan. Na etykiecie szampana znajdziemy informację o tym, czy jest to trunek bardzo wytrawny (brut), pół wytrawny (demi sec), czy słodki (doux). I tak, brut pije sie jako aperitif i do zasadniczych potraw, demi-sec i doux wyłącznie do deserów.

Nie należy podawac szampana do ryb o silnym smaku, jak np. sardynki, śledzie czy ryby marynowane w occie lub wędzone. Chociaż wiele osób twierdzi, iż najbardziej odpowiednim napojem do kawioru czarnego jest właśnie szampan.

Na szampana noworocznego dobrze wybrać także Blanc de Blanc (z białego chardonnay) albo Blanc de Noir (z czerwonych winogron pinot noir lub pinot meunier).

Dobrze jest także opanować sztukę otwierania szampana bez wielkich wystrzałów i wylanego trunku. Francuska arystokracja, ale tylko przy wyjątkowych okazjach, używa do otwarcia szampana szabli. I chociaż może to brzmieć jako bardzo kusząca propozycja, to nie polecamy.

Kometa, supernowa, meteor czy spotkanie Jowisza z Saturnem? Astronomiczna Tajemnica Gwiazdy Betlejemskiej

"Bracia, patrzcie jeno, jak niebo goreje!, śpiewamy na pamiątkę tamtej nocy w Betlejem, i rzeczywiście, jak twierdzili od lat astrologowie i astronomowie, niebo w tamtym czasie rozbłyskało od supernowych, komet, meteorów i koniunkcji planet. I do dziś, zainteresowani tym tematem, zastanawiają się, jaka to "gwiazda" wyprowadziła "trzech medrców" w daleką i niebezpieczną podróż.

Ruchy ciał niebieskich są obecnie tak dobrze znane, że łatwo jest odtworzyć ich pozycje, siegając nawet kilka tysięcy lat wstecz. Wystarczy tylko określic dokładnie czas, który nas interesuje. Tak więc w tym przypadku, musimy znać w miarę dokładnie datę urodzin Jezusa.

Zadanie ustalenia tej daty polecił w roku 525 papież, Jan I, mnichowi Dionizemu, opatowi rzymskiemu. Według jego obliczeń, Chrystus narodził się w 754 r. od założenia Rzymu. Jednak współczesne obliczenia, z którymi nie sposób się nie zgodzić, wykazały, że Jezus urodził się w 747/748 r. od założenia Rzymu, czyli w 7/6 roku p.n.e. Jednym z dowodów na to jest fakt, że Magowie odwiedzili w drodze do Betlejem Heroda, a ten zmarł w 4 roku p.n.e., a więc Chrystus musiał urodzić się wcześniej.

Ważnym wydaje się też ustalić, kim byli Trzej Królowie. Otóż, byli to magowie, mędrcy, astrologowie, kapłani zajmujący się nauką i będący doradcami królów. Mogli pochodzić z Babilonu, ważnego w ówczesnym świecie ośrodka astrologicznego, ale mogli także przybyć do Betlejem z Persji, gdzie nauka o gwiazdach także się rozwijała. Dowodu na te druga ewentualność dostarcza fragment z pamiętników Marco Polo, który w swojej podróży na Daleki Wschód (w XIII wieku) odwiedził, jak twierdzi, ich groby i zanotował: "Jest w Persji miasto Savah, z którego wyszli trzej Magowie, kiedy udali się, aby pokłon złożyć Jezusowi Chrystusowi. W mieście tym znajdują się trzy wspaniałe i potężne grobowce, w których zostali złożeni Trzej Magowie." Tak więc około 7/6 r. p.n.e. podążali do Betlejem trzej mędrcy wiedzeni, wskazującym na wielkie wydarzenie, zjawiskiem na niebie. Bardzo prawdopodobne jest też, że wiedzieli dokładnie za jaką "gwiazdą" podążają, natomiast dla nas zostały tylko hipotezy.

Najbardziej prostym wytłumaczeniem "gwiazdy" byłby jakiś meteor albo planeta Wenus. Ale meteory poruszają się bardzo szybko, znikają momentalnie i widoczne są na niebie jako świeliste linie, a nie punkty przypominajace gwiazdę. Wenus, natomiast, była doskonale znana w tamtych czasach

i wydaje się niemożliwe, żeby jej stała obecność nad horyzontem wzbudziła zainteresowanie magów, którzy podążali za czymś niecodziennym.

Jednym z takich niecodziennych zjawisk, nie do przepowiedzenia i nie do obliczenia, mogło być pojawienie się tzw. supernowej - niezwykle jasnej, widocznej czasem przez miesiące, "nowej gwiazdy", będącej rezultatem eksplozji gwiazdy już istniejącej. Uważa się, że w okresie narodzenia Jezusa, w odstępie zaledwie kilku miesięcy, wybuchły dwie supernowe, chociaż nie znajduje to potwierdzenia w zródłach z tamtego okresu.

Inna, bardzo kusząca propozycja wyjaśnienia "tajemniczej gwiazdy", to kometa. Te były w starożytności znane i starannie rejestrowane, i pojawiały się na niebie około czasu narodzin Chrystusa. W 12 r. p.n.e. przelatywała nad Ziemią kometa Halleya, ale to byłoby za wcześnie na datę narodzin Jezusa. Istnieje jednak duże prawdopodobieństwo, że była to kometa opisana przez Chińczyków w 5 r. p.n.e., która, widoczna przez 70 dni, wędrowała ze wschodu na zachód. Ta mogłaby przyświecać podróży magów. Jeśli magowie wyruszyli np. z Babilonu, to własnie około 70 dni potrzeba by było, żeby obciążone bagażami wielbłądy przebyły trasę do Betlejem.

Ale wyjaśnienie "gwiazdy" jako komety ma swoją słabą stronę; uważano bowiem w tamtych czasach, że komety były zwiastunem nieszczęść, klęsk żywiołowych i wojen, a przecież proroctwa biblijne, znane bardzo dobrze magom, przepowiadały przyjście na świat Mesjasza.

Najbardziej zaawansowana i prawdopodobna hipoteza została opracowana przez astronoma niemieckiego, Johannesa Keplera (1571-1630). W grudniu 1603 r. Kepler zauważył na niebie "nałożenie się na siebie" (koniunkcję) Saturna i Jupitera, co dawało silne światło. W wyniku dokładnych obliczeń, odkrył, że podobne zjawisko mogło mieć miejsce w 7. roku p.n.e. Z dostępnych mu komentarzy do Pisma Świętego wynikało, że Żydzi wierzyli, iż Mesjasz przyjdzie na świat wtedy, kiedy światło Jupitera i Saturna w konstelacji Ryb nałoży się na siebie.

Podobnie nauczała starożytna babilońska szkola astrologiczna. Magowie tamtejsi obserwowali, że w tymże 7 r. p.n.e. koniunkcja Jupitera i Saturna była widoczna trzy razy, i że zdarza się to raz na 794 lata. Wierzyli także, że poznali zależności między znakami na niebie i ziemi, i że bliskie spotkanie Jupitera z Saturnem w znaku Ryb, może być tłumaczone jako narodziny króla żydowskiego, i dlatego zdecydowali się podążać za gwiazdą.

A nam, na koniec tych rozważan, wypada pamiętać, że bez względu na to, które ciało niebieskie było posłańcem przynoszącym Nowinę, sama Nowina - Przesłanie – "Pokój ludziom dobrej woli" – jest najważniejsza.

Konkurs Grupy 114, "List do Mamy"

W dniu 6 czerwca 2009 r. w Domu Harcerskim w Chicago odbyło się oficjalne zakończenie konkursu, ogłoszonego przez Grupę 114, "List do Mamy". Głównym punktem programu było ogłoszenie wyników konkursu i wręczenie nagród laureatom. Na konkurs nadeszło ponad czterdzieści listów z całej Ameryki, a nawet i z Polski. Uczestnicy różnili się wiekiem (od 17 do 85 lat), znajomością języka polskiego oraz życiowym doświadczeniem.

Prezes Grupy, Teresa Makowska, powitała gości, a prezes ZPwA, Virgina Sikora, wręczyła laureatom nagrody. Pierwsze miejsce zajęła Maria Pawlik, drugie Janusz Kopeć, a trzecie John Rush. Wyróżnienia otrzymali: Robert P. Redliński, Melania Mietelka, Maria Karwina, Ola Bartula, Ewa Winarczyk, Eva Kowalska, Mateusz Wszołek i Sylwester Sroka. Dodatkowe wyróżnienia prezeski Grupy 114 otrzymali: Anna Giemza, Mirosław Liszka, Marianna Kaczmarska i Jakub Dębkowski.

Na część artystyczną uroczystości zlożyły się: występ chóru dziecięcego pod dyrekcją Agnieszki Wojnickiej, członkini Grupy 114, która także wykonała utwór solo; recytacja wierszy oraz bardzo piękne czytanie niektórych nagrodzonych listów przez Państwo Małgosię i Andrzeja Kiesz. Większość listów została wydana w książeczce "Matczyna milość w garnuszku mleka". Książeczki te były rozdawane za symboliczne donacje. Zebrana kwota \$400.00 została przekazana Małgosi Kiesz na rzecz Fundacji Zdrowie Plus. Małgosia jest członkinią Grupy 821.

Była także bogata loteria fantowa. Po oficjalnej części, toczyly się dlugie rozmowy przy ciastkach, kawie i innych napojach.

Gratulujemy serdecznie Grupie 114 i prezesce Teresie Makowskiej za tak dobrze zorganizowany konkurs i za tak miłe spotkanie ku czci najważniejszych osób w naszym życiu - naszych Matek.

A oto fragment z "Listu do Mamy" Marii Pawlik, który zdobył pierwszą nagrodę w konkursie.

"Żyliśmy w skrajnej biedzie. Latem w czasie deszczu woda lała się przez dziury w dachu, a my podstawialiśmy wiadra i miski, żeby nas nie zalało. Zimą mróz malował obrazy na szybach, a my rozdygotani z zimna dmuchaliśmy w ręce i szyby, i wygladaliśmy Ciebie jak zbawienia. Twój powrot z pracy oznaczał ciepło i szczęście...Pamiętam Twoje ręce popękane, spuchnięte, ręce dla mnie najdroższe, i pracę na nie czekającą bez końca. Rozumiesz teraz dlaczego żaden kryzys, żadna recesja nie jest w stanie mnie zaskoczyć? Nauczyłaś mnie, że życie to więcej niż oczy mogą zobaczyć czy ściany mogą pomieścić. A zakasane rekawy potrafią z gliny wydobywać perły."

Plener artystów ArtPo Esencja Natury

6 czerwca b.r. Krucza Polana w Wisconsin, posiadłość Państwa Ewy i Tadeusza Żaczków, po raz drugi stała się miejscem pleneru i instalacji artystycznej grupy artystów ArtPo, których większość należy do Gupy #822 przy ZPwA. Tytułem pleneru była "Esencja Natury", a wyzwaniem artystycznym, abstrakcyjne potraktowanie tematu. Końcowy efekt to dwadzieścia interesujących i bardzo różnorodnych prac, które ułożone na ścieżce w lesie "prowadziły" do najgłębszych tajemnic Natury.

W plenerze udział wzięli: K. Babiracki,

- A. Kołodziejczyk, J. Kapturska, S. Kielar,
- E. Kostyrko, M. Niziołek, R. Niziołek,
- P. Czerwiński, A. Podczaszy, J. Pawlak,
- L. Rozmus, K. Szcześniewska,
- A. Zimirska, A. Tomaszewska z córkami,
- A. Mazur, E. Żaczek, T. Rozanacki.

Nie obyło się bez ogniska, nocnych rozmów i przysmaków kulinarnych, a wszystko to możliwe dzięki wielkiej gościnności i wyrozumiałości wspomnianych już gospodarzy – Państwa Żaczków.

NAGRODA NOBLA

Myśląc o naszym dziedzictwie narodowym nie sposób pominąć laureatów Nagrody Nobla. Polacy, którzy zasłużyli na ten zaszczyt, to: Maria Skłodowska-Curie, dwukrotna laureatka – w dziedzinie Fizyki i w dziedzinie Chemii; Henryk Sienkiewicz, Władysław Reymont, Czesław Miłosz i Wisława Szymborska - w dziedzinie Literatury i Lech Wałęsa, laureat Pokojowej Nagrody Nobla. Ich nazwiska rozsławiaja imię Polski w świecie, a ich twórczość i działalność wzbogacają naszą historię. Pierwsze trzy nagrody przyznane były Polakom w najtrudniejszych czasach naszej historii, tzn. w czasach niewoli, i fakt, że obywatele "nieistniejącego" kraju potrafili się wznieść na wyżyny nauki i sztuki, świadczył o sile i możliwościach naszego narodu. Przypomina o tym, w zaprezentowanej w Stokholmie mowie akceptacyjnej, Lech Wałęsa, kiedy cytuje fragment mowy wygłoszonej, w tym samym miejscu, przez Henryka Sienkiewicza w 1905 r.: "Głoszono ją (Polskę) umarłą, a oto jeden z tysięcznych dowodów, że ona żyje!...Głoszono ja niezdolna do myślenia i pracy, a oto dowód, że działa!...Głoszono ją podbitą, a oto nowy dowód, że umie zwyciężyć!".

Nagroda Nobla została stworzona przez szwedzkiego naukowca i przemysłowca, wynalazce dynamitu, Alfreda Nobla (1833-1896), który przekazał na jej cel prawie cały swój majątek, wynoszący według obecnej wartości około 100 milionów dolarów. W testamencie Nobel pisze: "kapitał zainwestowany (...) przez wykonawców testamentu ma stanowić fundusz, od którego odsetki beda rozdzielane dorocznie w formie nagród między tych, którzy w poprzednim roku wyświadczyli ludzkości największe dobrodziejstwa". Nagradzane dziedziny ludzkiej dzialalności to: Fizyka, Chemia, Fizjologia lub Medycyna, Literatura i działalność na rzecz Pokoju. Od 1900 r. Fundacja Noblowska zarządza dawnym majątkiem ofiarodawcy i przeznacza procenty na wypłacanie nagród jego imienia, czyli Nagrody Nobla.

W roku 1968 została dodana do nagród szósta dziedzina; Bank Szwecji, z okazji obchodzonej 300 rocznicy istnienia, przeznaczył fundusz na Nagrodę imienia Alfreda Nobla w Dziedzinie Nauk Ekonomicznych.

Pierwsza uroczystość wręczenia Nagrody Nobla miała miejsce w 1901 roku; Pokojową Nagrodę Nobla otrzymali wtedy Jean Henri Dunant, założyciel Miedzynarodwego Czerwonego Krzyża, i Frederic Passy, francuski ekonomista i polityk, niestrudzony działacz na rzecz pokoju.

Co roku, 10 grudnia, w rocznicę śmierci Alfreda Nobla, w Filharmonii Sztokhomskiej, odbywa się ceremonia rozdania nagród w dziedzinie Fizyki, Chemii, Fizjologii lub Medycyny, Literatury i Ekonomii. Medale i dyplomy wręcza król Szwecji. W tym samym dniu, w Oslo, przewodniczący Norweskiego Komitetu Nobla, w obecności króla Norwegii, wręcza Nagrodę Pokoju.

Zgodnie z regulaminem, każdy z laureatów Nagrody Nobla oprócz nagrody pieniężnej otrzymuje dyplom i złoty medal.

Medale Nagrody Nobla są dziełami sztuki medalierskiej stworzonymi przez największych skandynawskich rzeźbiarzy. Autorem pier-

wszych czterech był Szwed, Erik Lindberg, a twórcą medalu Nagrody Pokojowej – Norweg, Gustav Vigeland. Gunvor Svensson-Lundqvist jest autorem medalu za Ekonomię.

Strony frontowe, z wyjątkiem medalu za Pokój i Ekonomię, są identyczne; przedstawiają podobiznę

Alfreda Nobla i daty jego urodzin i śmierci. Odwrotna strona różni się w zależności of dziedziny. Wszystkie medale, z wyjątkiem medalu za Ekonomię, zdobią klasyczne, symboliczne sceny nawiazujące do charakteru dziedziny wiedzy czy działalności ludzkiej, za które są nagrodą. Medal za Fizykę i za Chemię (te są identyczne) przedstawia Naturę jako boginię z rogiem obfitości i okrytą we-

lonem, towarzyszący jej Geniusz Nauki, wyobrażony jako kobieta, odchyla welon. Medal za Fizjologię

i Medycynę przedstawia Geniusza Medycyny – kobietę z otwartą księgą, która napełnia, spływającą ze skały wodą, naczynie, po to, żeby ugasić pragnienia chorej dziewczyny, która jest towarzyszy. Medal za Literaturę przedstawia młodego meżczyznę pod drzewem laurowym i stojącą przed nim Muzę; meżczyzna ucho jej pieśni i zapisuje ja Na kożdym z tych

słucha jej pieśni i zapisuje ją. Na każdym z tych medalów wygra-werowane jest u dołu imię i nazwisko laureata, a wokół medalu - słowa z *Eneidy* Vergiliusza – "Inventas vitam juvat excoluisse per artes", które dają się przetłumaczyć jako: "ci, którzy udoskonalili życie poprzez swoje odkrycia (nowe umiejętności)". Medal Pokojowej Nagrody Nobla przedstawia grupę trzech meżczyzn trzymających się za ramiona w braterskim kole, a napis głosi: "Pro pace et fraternitate gentium" – "Za pokój i braterstwo między ludźmi". Małymi dziełami sztuki są także ozdobione przez czołowych szwedzkich artystów dyplomy, z ręcznie wypisaną informacją za jakie osiągnięcie zostały przyznane.

Ceremonia wręczania nagród, koncerty, interesujące wykłady laureatów i ich mowy akceptacyjne – wszystko to czyni Nagrodę Nobla specjalną okolicznością, kiedy wszyscy zainteresowani sprawami tego świata mają szansę poznać i przyjrzeć się tym, którzy zasłużyli na ten honor, i zaznajomić się z ich osiagnięciami.
