## At the Foot of the Cross

At the foot of the cross, I lay it all down  
Everything in my life, that's hidden deep inside  
I give it away, for my Savior to heal  
These fears that I have, that I've buried for years  
At the feet of Jesus, my heart pours out tears  
As I kneel and pray, my thoughts become clear  
And I finally see what's so very dear

At the foot of the cross, I cry out in pain  
Anguishing thoughts pour out like rain  
But, amidst these tears, I find a peace so calm  
As Jesus scurries in, the darkness fades away  
My heart is freed, my mind once again sane  
And the past torments I've had are forever washed away  
My life burns brighter, like the dawning of a new day

At the foot of the cross, I'm loved and not lost  
Where the Holy drops of blood, have paid off sin's costs  
And the Savior was taken, now risen once more  
Through the grace of God, the veil was torn  
And the world was cast a new rope of hope  
Dangling freely from Heaven, climbable by faith alone  
To an eternal place, where sin is dead

At the foot of the cross, life can be found  
On your knees draped in blood, on Calvary's sacred ground.

*Dear Friends,*

*This Easter I pray that the love of God is resurrected,  
reborn, and renewed inside your heart.*

*Happy Easter!*

Warmly, Carolyn*

# GROUND S FOR INVALIDITY OF MARRIAGE

**Very Reverend Monsignor Peter M. Polando, D. Min., J.C.L., National Chaplain**

My dear Sisters and Brothers in Christ,

As I have explained in the first quarter of this year's articles, Marriage is a very sacred institution within the teachings of the Catholic Church. For Catholics who marry each other and, for a Catholic who marries a baptized non-Catholic, these are considered sacramental marriages. Marriages of other baptized non-Catholics and the non-baptized amongst themselves are considered valid marriages in the Catholic Church. And by definition, biblically and Catholic doctrine, marriage is contracted by a woman and a man. However, by biblical and Church tradition, there are instances when marriage is contracted but may have been invalidly. I attempt in this article to describe some of these instances; there are more but I will describe some that have been argued and are the grounds to prove that invalidity of marriage. These have been the more common ones that have crossed my desk over the years.

In order to prove that a marriage has been invalidly contracted, proof must be present at the time of consent, that is, proof of the ground being argued must have been present at the time when the vows were promised between the parties. The Catholic Church is empathetic to the facts that during the marriage, problems in the union may arise that may lead to the breakdown of the union. Some examples would be that one of the parties may have taken up an affair outside the union; became addicted to drugs, alcohol, pornography, to name a few; became abusive (verbally, emotionally, sexually, physically) to the spouse and/or other family members during the course of the union; or, some other change in personality or mindset. If these were present at the time of consent and the other party thought that these would change once the parties were married, then the person may have grounds that may lead to the annulment. As I prepare couples for the celebration of Marriage, I, as well as many priests, meet with the parties, utilize some sort of evaluation tool to compare personalities, and ultimately I state to them: "What you see now is what you are going to have in the future. Do not think that once you are

married, everything is going to change and your future spouse will change! You will not be able to change some things in the future". Once consent is given in the course of the Marriage ritual, it is a permanent commitment unless proven otherwise. The following are grounds that I have employed over the years when proving the invalidity of marriage. I will continue to explain these grounds in my next article and once again state that these are not a complete list of grounds to prove invalidity of Marriage as listed in the 1983 *Code of Canon Law* of the Roman Catholic Church.

- Canon 1095 states: *The following are incapable of contracting marriage: 1° those who lack the sufficient use of reason; 2° those who suffer from a grave defect of discretion of judgment concerning the essential matrimonial rights and duties mutually to be handed over and accepted; 3° those who are not able to assume the essential obligations of marriage for causes of a psychic nature.* Number 1°, is a person who basically does not understand the difference from right or wrong or causes of psychoneuroses is incapable of contracting marriage. Number 2° is a person who possesses an inability to seriously evaluate the duties, rights, obligations and responsibilities that are exchanged at the time of consent is incapable of contracting marriage. Number 3° is a person being incapable of contracting marriage who is not psychologically capable of assuming the obligations of marriage at the time of consent.
- Canon 1096 states: *§1 For matrimonial consent to exist, the contracting parties must be at least not ignorant that marriage is a permanent partnership between a man and a woman ordered to the procreation of offspring by means of some by means of some sexual cooperation. §2 This ignorance is not presumed after puberty.* I believe the canon is straightforward.

# Message from our National President

## CYNTHIA M. MALESKI

Dear fellow members,

When this issue of the magazine reaches you, we will be in the midst of the joyous season of Easter. Yes, it is a time of joy, hope and new life!

This great celebration is preceded by Holy Thursday and Good Friday, part of the Sacred Triduum. Many of us whose families immigrated to the United States-Slovaks,

Czechs, Poles, Rusyns, Croatians, Slovenes, Russians, Ukrainians, and others celebrate with several beautiful customs which are centuries old and demonstrate our joy in the Resurrection of Our Lord.

On Palm Sunday and throughout the Easter season, many weave handmade crosses from palms to wear and then place in our homes during the year. I remember my Dad making small simple handmade palm crosses for all of his children to wear on Palm Sunday. Many families decorate willows with flowers and ribbons to carry and display.

On Holy Saturday, small amounts of our most significant foods such as decorated eggs, bread, ham, kolbassi, horseradish, butter and salt are placed in a decorated basket, covered with a special bread cloth, and taken to church for a blessing.

On Easter Sunday, we celebrate with the most important of celebrations, by attending and participating in the Mass of Resurrection. Our family especially loves the hymns at Easter, especially the lively "Christ is Risen From the Dead." We then sit down as a family to enjoy each other and lots of delicious homemade special foods.

On Easter Monday and Tuesday, some families continue the tradition of the "sprinkling of the water" which should bring good luck throughout the year. Many youngsters partake in this custom as well, as they joyfully play together.

Our primary attention continues in welcoming our new members from Polish Union of the United States of North America and Polish Women's Alliance of America and serving our current members and their families in their financial and spiritual needs. I always look forward to meeting new members and local leaders and their

families as we reach out to all with love and fraternal spirit so that we can strive to improve our members' lives and the communities where we live and work.

On April 27th, we celebrate the anniversary of the canonization Mass for Saints John XXIII and John Paul II. The canonization Mass was celebrated on April 27, 2014, Divine Mercy Sunday. Many of us are fortunate to have been touched by them when they served us as Popes during our own lives. May they intercede for us and our families.

On behalf of our board of directors and home office staff, I extend a Happy Easter to all of you and your families!

**Cynthia Maleski**  
National President

*On behalf of the entire Maleski Family, including children Cynthia, Richard M., Daniel R. and Mary Beth (deceased) and our beloved deceased mother Helen (Palovcak), and grandchildren Elizabeth, Richard J., Kathleen and Kristina, we thank all of you who shared in any way the sorrow of the passing away of our beloved Dad, Richard A. Maleski, by attending the funeral Mass or wake, by enrolling him in Mass societies, by sending flowers, donations, cards and most of all, prayers. Our Dad truly believed in our faith, sent us to Catholic school, and imparted wise words to us many times: "If you think you will find something better than our faith somewhere else, you will not. It is WHO WE ARE". We are grateful for your love and friendship and were honored by the celebration of the Mass by Rev. Aaron Kriss, Archabbot Douglas Nowicki, OSB and Very Rev. Msgr. Peter Polando, National Chaplain.*

*May the Events of that  
First Easter Morning  
Fill Your Lives with Hope  
& Your Hearts with Love,  
Today and Always*

## **Culens' Celebrate 60th Anniversary**

Stephen and Arlene (nee Miller) Culen celebrated their 60th anniversary on August 3, 2017. Arlene met Steve in 1955 at Railway Express Agency where they were both employed. They were married two years later, on August 3, 1957 at St. Joseph & St. Anne in Chicago, IL.

They have six children, twelve grandchildren and two great-grandchildren all members of Branch 287, Oak Lawn, IL.

Steve retired in 1993 from the American Federation of State County and Municipal Employee where he was Executive Director and International Vice-president representing 90,000 public employees and retirees in the state of Illinois. Arlene was his devoted partner, mother and role model to the Culen clan.

After retirement the couple traveled extensively

with a number of trips to the Culen ancestral home in Slovakia, many other European countries, including religious shrines, cruises and many locations in the U.S.

The couple celebrated their anniversary beginning with mass at St. Turibius Church on the Southwest side of Chicago, followed by dinner with family and friends.

## **100th Birthday Celebrated**

Margaret T. Hasto, S292, Cleveland, OH, celebrated her 100th birthday on January 29, 2018. She was born and raised in Cleveland, OH and belonged to St. Andrew Parish. She and her late husband Cyril have one son and two daughters; also many grandchildren and great-grandchildren who love her very much. She now lives in Euclid, OH. God Bless her on this momentous occasion!

## *Wesnaks Celebrate 60th Wedding Anniversary*

Slovak activist, Justine Wesnak and her husband, Andrew (Bucky) celebrated their 60th wedding anniversary on June 12, 2017. They were married 60 years ago at St. Anne's Basilica in Scranton, PA.

The couple has lived in the Lehigh Valley of Pennsylvania since their marriage. Bucky; President of his graduating class of 1957 at Johnson College in Dickson City; was recruited to work at the Allentown Works of the Western Electric Company. During his 42 years of employment he also served in Public Relations, he chaired many Company events and nearly all of those for his department. Although the company changed names over the years he worked at the same location until his retirement from "Lucent Technologies" in 1999.

Justine, a nurse by profession, was educated in Scranton at Mercy Hospital and Marywood College. However, she spent most of her career as an elected National Officer of the First Slovak Wreath of the Free Eagle serving until 1996 as its President/CEO and Editor. She then served as Director of Membership of the National Slovak Society for the next 7 years until her retirement in 2003. Justine is a life member of all Slovak Fraternal Organizations; she belongs to our Bethlehem, PA Branch S089.

She also served as an elected officer of the Slovak Catholic Federation, Slovak League of America, Slovak

World Congress and President of the Slovak Garden in Winter Park, FL. She continues her Slovak affiliations and also serves as Secretary of the Board of Directors of the Islander Beach Resort, New Smyrna Beach, FL.

The couple has devoted decades in volunteer work with Lehigh Valley youngsters. Bucky coached "Little League" football at Alton Park, and basketball and baseball for 20 years for the West End Youth Center. Meanwhile, Justine coached cheerleaders and organized 30 girls for 2 teams to play in the Allentown City Kickball Program for girls in 1970; the following year 120 girls signed up and she successfully recruited help for an inter mural Kickball Program.

Bucky and Justine have 3 sons, Drew, married to Sharon; Mike; and Paul, married to Sue. They have 11 grandchildren; 4 great-grandchildren; and 2 great-great-grandchildren. Their children hosted a quiet family dinner to honor the couple in celebration of this milestone anniversary.

Justine and Bucky had hoped to host a large party for their special day. Unfortunately, Bucky is still recouping from a broken back and other injuries and complications he suffered as a result of a fall over a year ago on November 7, 2016. Bucky's family is grateful that he actually survived. Justine thanks God for answering a barrage of prayers, especially during the 6 weeks Bucky spent in critical condition in intensive care. She also credits their sons and their families for their unending, willing and exceptional help; performed with great love and enthusiasm during Bucky's trauma over the past 16 months.

With God's help Justine and Bucky will celebrate many more years of marriage in good health and happiness.

## 45th Annual March for Life 2018

The 45th Annual March for Life in Washington, D.C. took place Friday, January 19, 2018. Once again FCSLA and FCSU sponsored 2 buses. The buses filled with our members and a few local youth groups were part of the estimated 100,000 (there are no exact numbers) who marched for those that cannot speak for themselves. It is always nice to have some new faces as well as our annual faithfuls riding on the buses!

For the first time in a few years we did not have to worry about the weather. They had sun and temps in the high 40's! Some groups went to the Youth Rally & Mass prior to the March. There are always a few challenges while in D.C. Meeting up with everyone for the group photo and finding our buses after the March. God always guides and blesses us during this trip. We are able to find all our groups, buses and arrive safely home.

Mark your calendars for Friday, January 18, 2019.

## Members Journey on a Fatima, Portugal Trip

Two of our members visited Fatima, Portugal for the 100 year anniversary of the Apparitions. Leslie Dyal and her mom, Ann Chaump both members of S172, Wilkes-Barre, PA, traveled with the Savio Boys Choir of Philadelphia in which Leslie's son, Jude, is a choir member. The choir and their families spent 10 days in Portugal where they visited and the choir sang at such places as the birthplace of St. Anthony in Lisbon, the towns of Sintra, Obidos, Coimbra, Santarem, Batahla, Alcobaca and Nazare, with the main destination being Fatima. In Fatima, the choir boys sang in the Basilica of the Most Holy Trinity.

They also visited the town of Ajual where the three children to whom Mary appeared lived (they even went inside the house they lived in). They retraced the children's steps to the village where they lived. This started with the Via Sacra which is the Stations of the Cross. On the same path they visited Valinhos and the place of the Ángel. An apparition of Mary took place here after the children were let out of jail,

while the angel of Portugal appeared to the children in 1916, one year before they saw Mary in the Cova.

The boys also sang at the International Rosary, which is a candlelight procession. People from all over the world attend.

In addition, the boys sang in the Chapel of the Apparitions. The boys were only a few feet away from the actual spot where Mary appeared from May to October in 1917.

In Coimbra they visited the town's convent where Sister Lucia (the oldest of the Fatima children and the only one to survive childhood) became a Carmelite nun. The boys sang at the 11 a.m. Mass in the convent Chapel. Many apparitions of Mary took place in this convent, as well.

In Santarem, inside the church which was once called Saint Stephen's is home to an Eucharistic miracle that happened in the 13th century. Since that time the church has been renamed and called The Church of the Holy miracle. You can read about it here: <http://www.sacred-destinations.com/portugal/santarem-eucharistic-miracle>. The boys sang as they walked the tiny cobblestone streets and people were hanging out their apartment windows applauding them.

The last day, petitions were placed at the feet of Our Lady and then the group waved white handkerchiefs to say "adieu" farewell. In addition to performing, the boys played

soccer with the locals. The boys and their families enjoyed visiting the many museums of Fatima and just had a fun time being together.

# PITTSBURGH AGREEMENT CELEBRATION PLANNED

On Thursday, May 31, 2018, we will celebrate the 100th anniversary of the signing of the Pittsburgh Agreement with a commemorative program at the Heinz History Center in Pittsburgh, PA. The program, which will begin at 6 p.m., will feature presentations by various government officials from the Czech Republic and Slovakia as well as local officials. A reception will follow the formal program.

The signing of the Pittsburgh Agreement on May 31, 1918, was an important occurrence in the course of events leading to the establishment of an independent Czechoslovak state after the First World War. The catalyst for drafting and signing of this agreement was the visit to Pittsburgh and Professor Thomas Masaryk, who later became the first President of Czechoslovakia. The agreement was also signed by leaders of local and national Slovak and Czech fraternal organizations.

Admission for this memorable event is \$35.00 per person (NO tickets will be printed). Admission can be purchased from Carol Hochman at [carolh1541@aol.com](mailto:carolh1541@aol.com) or from Joe Senko at [jtsenko@aol.com](mailto:jtsenko@aol.com) or 412-956-6000. # Blessing of Easter Baskets

## Tradition of Our Heritage

*When our Slovak ancestors arrived in this country a century ago, they brought with them many beautiful and meaningful traditions. Among the most popular of these was the age old tradition of blessing Easter foods.*

*After a Lent of strict fasting and abstinence, specially prepared foods to be eaten on Easter morning would help the family celebrate the great feast of Jesus' Resurrection. The food, prepared in advance, were placed in a basket, covered with a special hand-crocheted cloth, often one which had been handed down for generations, and were taken to church to be blessed by the priest on Holy Saturday. The cloth often had an Easter emblem or Easter words such as "Christ is Risen," of course in Slovak, crocheted on it.*

*Only small portions of each food are placed in the basket. It is naturally known all ancient Slovak customs have specific meanings and so it is with the foods placed in this basket. Gratefully, many families and Slovak and Slavic churches in the United States and Canada continue to observe this custom of blessing a basket of Easter foods today.*

**EGGS** — Brightly decorated hard boiled eggs are a symbol of new life, the life Jesus gave by rising from the dead.

**PASCHA** — This is a sweet, rich, yeast bread. It is usually a round loaf baked till it has a golden brown crust. Often a cross of dough is placed on the top circled by a plait. This symbolizes the crown of thorns encircling the cross. Other breads are nut and poppyseed rolls, known as "kolac" and "makovniky".

**KLOBASSA and HAM** — After a Lent of fasting and abstinence, this meat is well roasted or cooked and used as the main dish. It symbolizes the great joy of Easter and to Slovaks this dish of meat is a sign of abundance. Also, lamb or veal can be used.

**CHEESE** — The Easter cheese is known as "syrek" and has a rather bland taste. It is indicative of the moderation Christians should have in all things. Cream cheese may also be used.

**HORSERADISH** — This is a tall plant with a white, hot-tasting root. The root is ground and mixed with ground beets, a mixture then called "chren" (hren). The taste of chren is to remind us of how bitter life would be without Jesus, and also of the bitter drink given to Jesus on the cross.

**BUTTER** — This favorite dairy product is sometimes shaped into the figure of a lamb because Jesus is the Lamb of God.

**SALT** — Salt is blessed because it was used to preserve food just as Jesus preserves us to eternal life.

## New Easter Traditions

### SLOW-COOKED ORANGE GLAZED HAM

1 (4- to 5-pound) semi-boneless ham  
 ½ cup orange juice  
 ½ cup honey  
 1 tablespoon apple cider vinegar  
 1 teaspoon dried rosemary  
 ½ teaspoon ground cloves  
 Zest of 1 orange

In a 5-quart or larger slow cooker, place ham.

In a small bowl, combine remaining ingredients; spoon mixture over ham.

Cover and cook on low 3 to 3½ hours, or until heated through.

### FRIED CABBAGE

¼ pound bacon  
 1 head cabbage, coarsely chopped  
 ¼ cup (½ stick) butter  
 1 teaspoon salt  
 ¼ teaspoon black pepper

In a large pot, cook bacon over medium-high heat until crisp. Remove bacon from pot and crumble; set aside.

Add remaining ingredients to pot. Reduce heat to low, cover, and cook 30 to 35 minutes, or until cabbage is tender, stirring frequently.

Sprinkle with crumbled bacon, toss, and serve.

### SWEET POTATO PANCAKES

1½ pounds sweet potatoes, peeled and shredded  
 1 small onion, finely chopped  
 1 egg, beaten  
 ½ cup all-purpose flour  
 1 teaspoon baking powder  
 1 teaspoon salt

½ teaspoon black pepper  
 Vegetable oil for frying

In a large bowl, combine all ingredients except oil; mix well. Form into 12 pancakes.

In a deep skillet, heat about ¼ inch of oil over medium-high heat. Fry pancakes in batches 3 to 4 minutes per side, or until golden. (If you like them crisper, fry until they're flecked with brown.) Drain on a paper towel-lined platter and cover with foil. Repeat with remaining pancakes, and serve hot.

### CHEDDAR POTATO CASSEROLE

3½ cups water  
 ½ cup (1 stick) butter  
 1 teaspoon salt  
 ½ teaspoon black pepper  
 3½ cups instant potato flakes  
 ¼ cup finely chopped onion  
 1½ cups (6 ounces) shredded sharp Cheddar cheese  
 ½ cup heavy cream

Preheat oven to 350 degrees. Coat an 8-inch square baking dish with cooking spray, set aside.

In a large saucepan over high heat, bring water, butter, salt, and pepper to a boil. Remove saucepan from heat and stir in potato flakes and onion; mix well.

Spoon mixture into baking dish. Sprinkle with cheese and top with cream.

Bake 35 to 40 minutes, or until heated through and the edges are golden.

### SOUR CREAM MUFFINS

1 cup sour cream  
 1 egg  
 2 tablespoons sugar  
 1 tablespoon butter, melted  
 1⅓ cups all-purpose flour  
 1 teaspoon baking powder  
 ½ teaspoon baking soda  
 ½ teaspoon salt

Preheat oven to 400 degrees. Coat a 6-cup muffin tin with cooking spray.

In a medium bowl, combine sour cream, egg, sugar, and butter; mix well. Stir in remaining ingredients until well combined.

Spoon equally into muffin cups and bake 12 to 15 minutes, or until light golden and a wooden toothpick inserted in center comes out clean. Serve warm.

### CARROT CAKE WHOOPIE PIES

1 (21.41-ounce) package carrot cake mix  
 ¼ cup vegetable oil  
 ¼ cup water  
 3 large eggs  
*Cream Cheese Filling*  
 1 (8-ounce) package cream cheese, softened

1 stick butter, softened  
 1 teaspoon vanilla extract  
 5 cups confectioners' sugar

Preheat oven to 350 degrees. Coat baking sheets with cooking spray.

In a large bowl with an electric mixer, combine cake mix, oil, water, and eggs; beat well. Drop by tablespoonfuls onto baking sheets about 2 inches apart. (Since "cakes" will be baked in batches, refrigerate batter until ready to place on baking sheets.)

Bake 12 to 14 minutes or until a toothpick inserted in center comes out clean. Let cakes cool slightly then remove to a wire rack to cool completely.

To make Cream Cheese filling, in a large bowl with an electric mixer, beat cream cheese, butter, and vanilla until fluffy. Beat in confectioners' sugar 1 cup at a time until smooth.

Turn half the cooled cakes over onto their rounded sides and spread a dollop of filling over them. Place the other half of the cakes on top of the filling, forming sandwiches. Refrigerate until ready to serve.

### KENTUCKY BUTTER POKE CAKE

1 box SuperMoist yellow cake mix  
 1 cup buttermilk  
 4 oz. (half of 8-oz. package) cream cheese, softened

 1 package (8 oz.) cream cheese, softened  
 ¼ cup butter, softened  
 1 teaspoon vanilla  
 1½ cups powdered sugar  
 ¼ cup milk  
 1½ cups sliced almonds, toasted

Heat oven to 350 degrees. Spray bottom of 13x9-inch pan with cooking spray.

In large bowl, beat cake ingredients with electric mixer on medium speed for 2 minutes, scraping bowl occasionally. Pour in pan.

Bake 28 to 33 minutes or until toothpick inserted in center comes out clean. Place pan on cooling rack.

Immediately, in medium microwavable bowl, beat 8 oz. cream cheese and the butter with electric mixer on medium-high speed until smooth. Beat in vanilla. On low speed, beat in powdered sugar until frosting is smooth and creamy. Beat in milk. Microwave uncovered on High 30 to 50 seconds or until smooth and thin enough to pour.

With tines of fork, poke holes almost to bottom of warm cake about every ½ inch. Pour 1 cup of the glaze mixture over warm cake. Let stand 10 minutes. Stir almonds into remaining mixture, and spread over top of cake. Refrigerate 1 hour 30 minutes or until topping is set before serving. Store covered in refrigerator.
