# BYLAW CHANGE PROVIDES PATH **FORWARD FOR FCSLA**

There are only a few weeks left before our association faces one of the most important decisions in its history. When our delegates meet at the special convention in October, they will vote to update the method we use to choose our national officers (our president, secretary, treasurer and editor). At the same time, the vote will expand the role of our Board of Directors. Both changes are designed to protect our association in an increasingly complex world by placing greater accountability with both our management team and our Board of Directors.

With this change, our national officers will no longer be elected by our delegates. Instead, our national president will be hired by our Board of Directors. Our other officers will then be hired by our president, with approval by our Board. What does this change mean to you? Here are some important points to remember:

- This change will help protect our association and our assets by assuring that we select the most qualified and experienced candidates for our top management team.
- This move will give our members more say in how our association is run because our members will elect our Board of Directors; the members of the Board will be answerable to all our members.
- Our Board will exercise more responsibility under this change. The Board will hire our national president who will report directly to our Board.
- This form of governance has been adopted by more associations like ours because it means greater protection for their members.
- This change *will not* have a significant impact on our costs because we already pay salaries that reflect the market in which we operate.
- This change will not affect the products we offer, or the services you receive from headquarters.
- This change will protect us from the possibility of an unqualified candidate running a successful campaign for one of our top offices and putting our association in peril.
- We need to make this change now. The regulators who oversee our operations have repeatedly advised us to change the way we hire our top management team in order to protect our members and their investments in FCSLA.

We hope you've had a chance to attend one of the district meetings that have been held to discuss this change and its importance to you as a member of the FCSLA. If not, or if you have questions that weren't answered at the district presentation, visit our website, where we have posted more information about this bylaw change. You can also view a video, which explains the change from the perspective of our current board members. Or, you are welcome to contact Mary Ann Johanek directly at (216)-468-1011, or by e-mail at maryann@fcsla.com with your questions.

On a purely personal note, I have served on the committee that studied this issue for many months and although the change means that the editor's position will no longer be a Board slot, I am strongly in favor of this governance change. Like most of you, my family has many years of membership in and service to our beloved FCSLA. The complexity of our business has grown, as has the regulatory environment in which we operate. We can no longer simply hope that the right people with the necessary skills will be elected to run a corporation with assets in excess of six hundred million dollars. Qualified managing officers are critical to our continued success. The Board of Directors you elect will be responsible for putting in place a management team that will have the background and skills necessary to keep the FCSLA on the right road.

Above all else, remember, this change is designed to honor our past, and protect our future.

Until next month, Warmly, Carolyn ŽENSKÁ JEDNOTA

# YOU SHALL NOT BEAR FALSE WITNESS

### Reverend Monsignor Peter M. Polando, National Chaplain

My dear Sisters and Brothers,

Throughout the Gospels, the Word made flesh proclaims a message of the nearness of the Kingdom and a call for His disciples to reform their lives (*Matthew 4:17*); promotes the necessity of His followers to love God and neighbor as one's self (*Mark 12:28-34*); affirms to all people that He is the Messiah (*Luke 9:18-22*); and, asserts that no one can come to Father except through Him for He is the way, the truth, and the life (*John 14:1-7*). The Word is Truth and the Truth is the Father. The Truth is eternal life.

There is a stunning moment recorded in the Gospel of John during the Passion of Jesus where He is standing before Pontius Pilate in trial. The Jews insisted that Jesus be crucified for His teachings. While in the praetorium, Pilate questioned Jesus. "'Are you the King of the Jews?' he asked him. Jesus answered, 'Are you saying this on your own, or have others been telling you about me?' Pilate retorted, 'It is your own people and the chief priests who have handed you over to me. What have you done?' Jesus answered: 'My kingdom does not belong to this world. If my kingdom were of this world, my subjects would be fighting to save me from being handed over to the Jews. As it is, my kingdom is not here.' At this Pilate said to him, 'So then you are a king?' Jesus replied: 'It is you who say that I am a king. The reason I was born, the reason I came into the world, is to testify to the truth. Anyone committed to the truth hears my voice.' Truth!' said Pilate. 'What does that mean?" (18:33-38)

Modern day disciples of Jesus may also ask – "Truth, what does this mean?" Our Judeo-Christian heritage gives us guidance. In the Hebrew Scriptures, the Eighth Commandment of the Decalogue states, "You shall not bear false witness against your neighbor" (*Exodus 20:16*). Yahweh reveals to His people through the Psalmist: "Your word, O Lord, endures forever; it is firm as the heavens. Through all generations your truth endures; you have established the earth, and it stands firm (*Psalm 119:89-90*). No matter what hardship may come about, in the end, truth will prevail.

If we ardently align ourselves with the teachings and preaching of the Word made

flesh, if we adamantly emblazon upon ourselves the identities of "Catholic" and "Christian", and if we honestly call Jesus our brother, the Truth is a way of life as it images our relationship with Him to the Father through the Holy Spirit. In his Second Letter to Saint Timothy, Saint Paul, imprisoned because of preaching the Good News and alignment to Christ, exemplifies his commitment to Christ and the truth: "Therefore, never be ashamed of your testimony to our Lord, nor of me, a prisoner for his sake; but with the strength which comes from God bear your share of the hardship which the gospel entails" (1:8). Bearing witness to the Truth called the Apostle to imprisonment and ultimately to death by the sword.

The Truth is a way of life. Committing ourselves to it commands us to be truth, to be Jesus, by picking up the cross and following in His footsteps so that we may witness the Truth as did Jesus. The *Catechism* of the *Catholic Church* instructs, "The duty of Christians to take part in the life of the Church impels them to act as witnesses of the Gospel and of the obligations that flow from it. This witness is a transmission of the faith in words and deeds. Witness is an act of justice that establishes the truth or makes it known" (paragraph 2472). It is an obligation of the followers of Jesus to be a bearer of truth to the best of her/his ability.

False witness and perjury compromise the exercise of justice and the fairness of judicial decisions. *Rash judgment* which assumes insufficient moral fault of a person, *detraction* that discloses another's faults without valid reason, and *calumny* that include remarks contrary to the truth all, offend the virtues of justice and charity.

One of the more common offenses of this commandment is lying. Anyone who has ever been caught in the telling of a lie knows its affects. Not only is it most embarrassing but also it subtracts from the integrity of the person who has told the lie. "Lying is the most direct offense against the truth. To lie is to speak or act against the truth in order to lead into error someone who has the right to know the truth. By injuring one's relation to truth and to neighbor, a lie offends against the fundamental relation of man and of his word to the Lord" (*Catechism of the Church*, paragraph 2483). Anyone who is contemplating the act of lying should reflect upon the affects of those people who lied in order that Christ be nailed to the Cross during His Holy Passion.

This commandment also directs persons who are under the obligation of confidential information to maintain professional secrecy. "Professional secrets - for example, those of political office holders, soldiers, physicians, and lawyers - or confidential information given under the seal of secrecy must be kept, save in exceptional cases where keeping the secret is bound to cause very grave harm to the one who confided it, to the one who received it or to a third party, and where the very grave harm can be avoided only by divulging the truth. Even if not confided under the seal of secrecy, private information prejudicial to another is not to be divulged without a grave and proportionate reason" Catechism of the Catholic Church, paragraph 2491).

The following is a comment given to me by one of my friends who is a doctor in Indiana while on our annual vacation. There are people who spread gossip or divulge information that is deemed confidential in relation to a particular person or corporate reality. This is offensive and sinful matter. People may do this because they believe that divulging confidential information makes them more credible than a particular segment of the populace or corporate reality. In their minds, they have more importance or are better than the particular segment of the populace or corporate reality. This type of activity proves to be quite dangerous for the common good, denigrates the integrity of the particular segment of populace or corporate reality and detracts from the importance of the issue that is at hand. People who are the audience of this type of activity are subject to a narrow interpretation of the information and are ill informed of the entire truth.

The disciple of Jesus must always remember, the Word is Truth and the Truth is the Father. The Truth is eternal life. To act contrary to Truth is to deny Christ, to deny our heavenly Father.

# Our Readers Respond to . . . FCSLA FRATERNAL OUTREACH IS ON THE MOVE IN 2010

In June we shared how, "Volunteering Can Be Good for Your Health" and asked for members to share how their volunteering has made a difference. We will share some of their stories with you in the next few issues of "Fraternally Yours".

Here is a brief description of the volunteer efforts of Dr. Raymond Petras of Branch 344 in Scottsdale, AZ. We appreciate Dr. Petras for sharing his story.

Finding affordable healthcare has always been difficult for many individuals and families, no matter where you live. Recently with Arizona's new immigration law and our economy, it has made it even more difficult.

Mission of Mercy (MOM), mobile medical clinic, is a lifesaver for many. MOM is a nonsectarian, non-profit organization that offers free medical care to those without insurance. A few paid staff, 230+ volunteers and community partners supply free medical care that includes testing, procedures and prescription medicines.

Recently, Dr. Petras joined MOM to aid with noninvasive pain and injury management. Rather quickly he found that clients also needed to deal with their mental and spiritual anguish. This anxiety can be a factor in the high blood pressure (BP) and diabetes cases he saw.

Psychological or mental techniques are grossly underutilized in this and the general population. These techniques not only help with anxiety, but with many other painful conditions.

In one case, a young woman came to MOM with left breast pain. She shared with Dr. Petras that she had this condition for 4-5 years without relief. It was a throbbing pain that became sharp when the breast was touched. The tests she was given were all negative. Dr. Petras had her visualize herself as healthy, happy and pain free. After visualizing herself in this state of mind for 15 minutes, her pain was gone.

Dr. Petras has found that working with these people has been and continues to be a wonderful experience. They are so appreciative and so in need. As anyone who volunteers knows, the volunteer is blessed as much, if not more, than those they help.

From July 1 through September 30, 2010, older FCSLA annuities (issued prior to 2005) with a guaranteed minimum rate of 4.50% will earn a yield of 4.6025%, while newer FCSLA annuities (issued 2005 and after) with a guaranteed minimum rate of 3.50% will earn a yield of 3.5618%.

# FCSLA's 2010 Fraternalist of the Year — Elaine Walters

The First Catholic Slovak Ladies Association is proud to announce the selection of Elaine Walters of Neshanic Station, NJ as our association's 2010 Fraternalist of the Year. Her profile has been sent to the National Fraternal Congress of America (NFCA) to be considered for national recognition. The 2010 NFCA Fraternalist of the Year will be announced and honored at the

124th Annual Meeting to be held in Chicago, IL from September 9-11, 2010.

Elaine is a widow and has been retired since 2007 from a 33 year career as a School Media Specialist. She has two children and two grandchildren. Her current positions are President and Financial Secretary of Branch S-35/J-67 in Raritan, NJ. She took over the responsibility of these branches when her mother Helen Koval passed away in 2009. She has served her branch as an officer for over ten years.

Elaine is very diligent in representing her branch. In her duties as branch secretary she answers all requests from the Home Office promptly. She has participated in many of the fraternal contests and challenges that are introduced in our magazine. She has encouraged her branch members to get involved in all FCSLA sponsored activities. Her junior branch is planning a Matching Funds Project to raise funds for St. Joseph's Church Children's Choir. The church is in need of a new piano. She also encourages members to volunteer in their church and community. Many of her branch members belong to the St. Joseph's Parish Senior Group. She keeps them informed of the social events and special programs.

Where does Elaine volunteer? The list is very long she volunteers at her home parish, St. Joseph's Church in Raritan, NJ. She devotes her time to many of their projects, committees, and fund raisers. She volunteers for 40 hours every season at the Community Theatre located in Branchburg, NJ. She is a "Sunshine" visitor at a nursing home, craft helper at an Assisted Living Senior Center and book helper at the public library. She makes rosaries from the beads that are produced from a plant she raises and donates them to patients at a local hospital.

Elaine, at every opportunity encourages adults to work with the youth in her branch, church and community. She acknowledges the contributions young people make on every occasion. She supports their efforts and praises them. Elaine knows that our youth is our future as she tries to instill pride in future generations.

We congratulate Elaine Walters for receiving this well deserved recognition. She is an excellent example of a true fraternalist in every sense of the word. She has made a difference in her branch, church and community. The world is a better place because of Elaine and the many other fraternalists who are dedicated just like her.

# **Could You Save a Life?**

Did you know that CPR and early defibrillation can save lives? There are studies that show as many as 30-50% of victims who have signs of sudden cardiac arrest would have likely survived if CPR and AEDs (automated external defibrillators) were used within five minutes after collapsing. AEDs are located in many places today, such as airports, sports' stadiums, shopping malls and offices. It is very important for many people to be trained in knowing how and when to use them properly.

The importance of taking a review CPR class has become very important because of the many recent changes in administering CPR. A person's CPR skills decline over a period of time and need to be updated regularly. It is very easy to find a CPR class. The American Red Cross in every community has a schedule of classes for every level. Contact your city chapter by phone or go their website at <u>www.redcross.org</u> and look for a link to your city's Red Cross Chapter.

Kate's home parish is Our Lady of the Most Blessed Sacrament. As a member Kate was involved in parish liturgies and activities. She presently volunteers for many religious activities at a parish near her home, Our Lady of Victory. Kate is a kindergarten catchiest at Our Lady of Victory for their CCD Program and volunteers for their Vacation Bible School every summer. Kate has always taken her education very seriously. During her high school years she was a member of the National Honor Society. Joseph Annotti is President and Chief Executive Officer of the National Fraternal Congress of America (NFCA). The organization represents 69 member fraternal benefit societies composed of nearly 10 million individual members nationwide. NFCA societies provide avariety of financial services products – primarily life insurance and annuities – to their members, along with a host of other member benefits. # **FCSLA IS GROWING**

Our Fraternal and Youth Director, Sue Ann M. Seich has been working with many of our General Agents and Sales Representatives to open new senior (S) and junior (J) branches. It takes 10 new senior members to open a senior branch and 15 new junior members to open a junior branch, in the 47 states where we are licensed to do business including DC. There are still many areas where we do not have a local branch. Recently new branches have been formed in several new areas. For the next few months, we will feature our new FCSLA branches and their officers.

On November 16, 2009, a new senior branch S-620 was officially initiated in Demotte, IN. An informal luncheon at All Saints Parish in Hammond, IN was held on November 4, 2009, where officers were nominated and elected. A meeting then took place after the luncheon with the newly elected officers and potential branch members. Currently there are 7 officers serving this branch. Kelly Hedegore is President and Beth Bach is Secretary. This new branch of only nine months, has successfully promoted and completed a Matching Funds Project recently.

On July 25, 2010, a new Junior Branch J-531 was officially initiated to partner with Senior Branch S-620 in Demotte, IN. An informal dinner was held at the American Slovak Club in Whiting, IN for new and potential members of Junior Branch J-531 and their families. Other guests included the members and their families from Senior Branch S-620. The officers elected were: President, Debie Rossodivito; Secretary, Beth Bach; and Fraternal Activities Director, Vincent Rossodivito. Branch manuals were handed out and information was shared. Two guests spoke on several ways the new junior and/or senior branch could become involved in the community.

Members of the newly formed Junior Branch 531. SEPTEMBER 2010 The opening of these new branches can be credited to General Agent, Edward Bach. Through his hard work and determination the required number of new members for each of these new branches was sold. We sincerely thank Ed for his continued efforts to promote our FCSLAAssociation and the fraternal benefit system.

As FCSLA continues to grow there will be more communities that can benefit from a FCSLA branch. If you are interested in starting an FCSLA branch in your area or have questions, please contact our Fraternal and Youth Director, Sue Ann M. Seich, at 800-464-4642, Ext. 1051 or email sueann@fcsla.org.

# MATCHING FUNDS ACTIVITIES

# Senior Branch 141

Members of St. Mary's Branch 141 of the First Catholic Slovak Ladies Association (FCSLA) learned that the State of Ohio was making deep cuts into the funding of Mayle Homes, so they approved a motion to join with St. Ambrose Renewal

Marlene and Dick Paterson are presenting checks to Mark Mayle, Director of Maayle Homes for the care of mentally ill residents.

Team 11 and conduct a fund raiser with the approval of the FCSLA Home Office's Matching Funds Program.

Joan Thesling and her St. Ambrose Renewal Sisters have been meeting every month for the past 24 years. One sister, Marlene Paterson, has a son living at Mayle Homes where 80 mentally ill adult residents are cared for with funds from the State of Ohio.

The Ohio State's budget has a deficit of \$8 billion dollars, therefore Legislators cut the funding to many social service programs and Mayle Homes was one of the agencies to receive this sad news.

Therefore, members of St. Mary's Branch 141 and St. Ambrose Renewal Team 11 set about advertising their benefit garage sale for the evening of June 16 and all day on June 17, 18, and 19, with donated items to sell and money donations accepted. Family members, Retreat and Renewal Sisters, and Branch 141 members all volunteered to help before and after the sale.

The response to requests for goods, usable items (no clothes) to sell was simply great! Items were dropped off, picked up, and delivered by members of St. Mary's Branch 141, members of the St. Ambrose Renewal Team 11, Marlene's Retreat sisters, NAMI friends and relatives. Plus

Even a bus brought a load of shoppers to our garage sale.

many members and branches of the FCSLA donated items and money to this worthy cause.

Marlene and Dick washed, waxed and refurbished ev-

erything that needed it. Furniture that did not sell was trucked directly to Mayle Home for much needed use by its residents.

The event raised \$1,554.21 from the garage sale, with an additional \$642.68 in donations plus

in donations plus the \$500.00 Matching Funds check from the FCSLA Home Office – bringing the total raised to date for the Mayle Home to \$2,696.89.

Items that remained, a set of China and kitchen cabinets have been advertised on CraigsList.com with the hope for additional income.

When Marlene and Dick made the presentation to the Director, Mark Mayle, he and his staff, plus the residents were thrilled and grateful to everyone who participated in any way. As one resident responded, "I never knew there were people who didn't even know you, that could be so kind!"

# Branch WO18 Holds Annual Picnic at Mahoney State Park

Branch W018 in Omaha held its annual Branch Picnic at Mahoney State Park on Sunday, June 27th. The beautiful weather added to the conviviality of the day. Over 120 members joined in the meal, swimming, paddle boating and miniature golfing. They announced and congratulated the winners of the branch scholarships, and the national scholarship winners. Invitations were given to the winners for the dinner to be held in their honor at Dave & Busters on July 22.

Branch W108 High School Scholarship winner Ryan Cerny.

Branch W018 honored two sales professionals from the St. Isidore District at an informal dinner welcoming FCSLA leaders Mary Ann Johanek and Irene Drotleff. Branch President Bob Hladik presented Steve Stemper and Karen Ruby a small token of appreciation for the work they do for the branch and the Association.

A strong prairie wind cooled the crowd at Mahoney State Park (but not enough to discourage a good time).

Four generations of the Jim Benes family attended the picnic.

# Zázrak na Svadbe v Káne Galilejskej

### **Bohuslav Zeman SSP**

# Čítam

Jn 2, 1-11

V Káne Galilejskej bola svadba. Na svadbu pozvali Ježišovu matku, Ježiša a jeho učeníkov. Svadba mala trvať ešte niekoľko dní, ale novomanželom sa už minulo víno. Keď si to Mária všimla, povedala Ježišovi:

Nemajú vína.

– Čo mňa a teba do toho? – odpovedal Ježiš. – Ešte nenadišiel čas, aby som začal konať.

Vtedy jeho matka povedala obsluhujúcim:

- Urobte všetko, čo vám môj syn povie!

Stálo tam šesť, kamenných nádob na vodu, ktoré slúžili na očisťovanie, aké predpisovala židovská tradícia. Do každej z nich sa zmestilo vyše sto litrov vody.

- Naplňte nádoby vodou - prikázal Ježiš sluhom. Sluhovia sa pustili do práce a naplnili ich až po

okraj. Potom Ježiš povedal:

- Teraz načrite a zaneste nápoj starejšiemu.

Sluhovia urobili, ako im Ježiš prikázal. Keď starejší ochutnal vodu, premenenú na víno, zavolal si ženícha a vravel mu:

- Každý kto usporadúva svadbu, podáva najprv dobré víno a horšie ponúka až potom. Ty si zachoval dobré víno až doteraz.

Toto urobil Ježiš v Káne Galilejskej ako prvé zo znamení. Zjavil, že ho poslal Boh, a jeho učeníci uverili v neho.

John 2:1-11

There was a wedding in Cana of Galilee. Mary was there, as well as Jesus with His disciples. The wedding was to last for a few more days, but the newlyweds had already run out of wine.

Mary had noticed this and she said to Jesus, 'They have no more wine.'

That is not our concern,' Jesus replied, 'The time for me to act has not come yet.'

Then His mother said to the servants, 'Do whatever my Son tells vou.'

There were six stone vessels where water for traditional rites of purification was stored. Each of them could hold enormous amounts of water.

'Fill the jars with water,' Jesus ordered the servants.

The servants filled them up to the brim.

Then Jesus said to them, 'Now draw some out and take it to the chief steward.'

The servants did as they had been told.

When the steward tasted the water, he realized that it had become wine. He called the bridegroom and said to him, 'Everyone who holds a wedding reception serves good wine first and leaves inferior wine for later. But you have managed to keep the good wine until now.'

Such was the beginning of signs that Jesus made. In Cana of Galilee, He was recognized as someone who had been sent by God Himself and His disciples believed in Him.

1965 she became the Director of the School of Nursing until its closure in 1986. Her motto was "To Teach is to Touch a Life Forever". More than 1,300 nursing students graduated during her term of twenty-one years. While serving the nursing school she was also a surveyor for the National League of Nursing for Diploma Programs.

After the nursing school closed, Sister Antonia became Saint Mary's Coordinator, Standards/Education. During this time, she became active as a member of the Illinois Nurses Association Continuing Education Review Panel and the Appeals Committee. She was also a member of the Commission on Continuing Education, which was recently involved in the review of the proposed changes to the Nurse Practice Act.

Sister's current responsibilities include provision of hospital wide education, monitoring and evaluation of compliance with accrediting and regulatory agency standards. She helps prepare the organization for the Healthcare Facilities Accreditation Program accreditation process and serves as a resource to staff, to assure quality in patient care as prescribed by the Medical Center's Quality Improvement Plan. She also serves as a mentor in her role as the Department of Nursing's Magnet Journey Coordinator. She wrote and starred in a video entitled "On the Magnet Journey" which educated staff throughout the medical center regarding the process and benefits of the Magnet Recognition.

Sister has been a member of the Women's Auxiliary of Saint Mary's throughout her healthcare career and continues as a strong supporter of the Women's Auxiliary as Moderator and through functions for the benefit of Saints Mary & Elizabeth Medical Center.

As President of the Chicago Branch 180 of the First Catholic Slovak Ladies Association, Sister Antonia completed various grant applications to benefit the hospital, including the most recent award of \$5,000 to support the Medical Center's new Emergency Department, which opened in January 2008.

Although she has lived most of her life as a member of the Congregation of Sisters of the Holy Family of Nazareth (CSFN), her biological family has remained a core value in her life. She has always been there to nurture and support them. Her abounding energy seems limitless; clearly she is moved by the Holy Spirit – not only in her daily life, but when she volunteers her services in soup kitchens, visits the elderly in nursing homes and provides support to the infirmed who do not have others to care for them. She continues to do all things with gusto and perfection as only a life guided by a Christian Philosophy provides, as the Covenant of Love states:

The Sisters of the Holy Family of Nazareth, are called to extend the Kingdom of God's love among ourselves and others by living the spirit of Jesus, Mary and Joseph whose lives were centered in the love of God and one another. We witness to this love through dedicated service to the Church, especially in ministry to the family.

### **SHRIMP PASTA**

1/2 pound bow-tie or other short pasta Salt

- 2 pounds small pink shrimp (already cooked)
- 1 diced red bell pepper
- 1 diced red onion
- 1 minced garlic clove
- 1 cup chopped basil leaves (loosely packed)
- 1/3 cup high-quality olive oil
- 1 teaspoon of lemon zest
- 1/4 cup lemon juice
- 1 teaspoon red chili flakes

Cook the pasta in well salted water until al dente, a bit firmer than you would normally eat. (The pasta will absorb some of the salad dressing and soften further after cooking.) Rinse the pasta in cold water to stop the cooking. Drain well and put into a large bowl.

Rinse the shrimp and drain well. Add them to the bowl and mix. Add the remaining ingredients and gently mix until well combined. Serve chilled. Serves 4 as a main course, 8 as an appetizer.

- 3 tbsp. olive oil
- 1 medium onion, chopped
- 2 garlic cloves, finely minced
- Salt and freshly ground pepper
- 1 medium sized eggplant, about 1 lb., cut into ½-inch cubes
- 6 plum tomatoes, finely chopped
- 1/4 cup red wine vinegar
- 1/4 cup walnuts or pinenuts

Makes 4 cups. Serve with toasted French baguette slices, bread sticks, on a sandwich, or with fish or chicken.

# CHICKEN/MUSHROOM CREAM SAUCE

1 5-pound roasting chicken, cut into serving pieces (bone-in, skin on) Flour, salt and pepper

1 cup canola oil Butter

<sup>1</sup>/<sub>4</sub> cup rich chicken broth

- 1 small onion, chopped
- 1/2 pound fresh mushrooms, sliced
- 1 clove of garlic, crushed
- 1/2 cup sour cream
- 1/2 cup heavy cream
- Salt and pepper

Put a cup of flour, a teaspoon of salt and half a teaspoon of pepper in a brown paper bag. Piece by piece, put a piece of chicken in the bag and shake to coat the chicken with flour mixture.

Preheat the oven to 350 degrees. On the stovetop, in a large frying pan, heat oil to medium high heat. Place the chicken pieces in the pan. Brown the chicken pieces on all sides, turning when necessary.

Butter a roasting pan generously. Arrange the chicken pieces in it, pour broth over it, and bake at 350 degrees until the chicken is tender and cooked, about 40-50 minutes, or when poking a thigh with a meat fork and only clear juice runs out.

About 20 minutes before the chicken is expected to be done, start cooking the onions and mushrooms. In the same frying pan as was used to cook the chicken, empty the pan of all but 2 tablespoons of oil. Add the onions to the pan and sauté on medium heat until softened. Add the crushed garlic clove and the mushrooms and cook until mushrooms are no longer crisp. Remove and discard the garlic, and add the sour cream and the heavy cream to the onions and mushrooms. Lower the heat. Keep warm, but do not boil. Salt and pepper to taste.

When the chicken is done, remove from oven. Serve on a platter with the mushroom sauce spooned over it, or served on the side.

Serves 6 to 8. Serve with noodles, rice, or Spanish rice.
